

## **Request For Re-instatement and Extension of Special Temporary Authority**

G2 Media Group LLC, licensee of Radio Station KFSW, FI 87114, Ft. Smith, AR, respectfully requests re-instatement and extension of its Special Temporary Authority to operate with 500 watts for 90 additional days which was inadvertently allowed to expire on May 5, 2023. The licensee greatly regrets the expiration.

On May 2, 2022, storms flooded the transmitter site and severely damaged the KFSW transmitter which will have to be replaced.

The Licensee has completed the majority of the repairs and is presently in the process of repairing the RF Combiner after which, if the testing is successful, the licensee will return to full operation.

Therefore, the licensee respectfully requests Special Temporary Authority to operate KFSW with 500 watts, day and night, for an additional 90 days.
