Subject: Station KEYS(AM), Corpus Christi, TX

Re: File No. BL-20210114AAI

Malkan Interactive Communications, LLC, the licensee of Station KEYS(AM), Corpus Christi, Texas, requests that the following change be made to the above-referenced license to cover application:

In Item 1 of Section III, the licensee requests that information as to the Station's output power be modified to read as follows: daytime power of 1.0 kW and nighttime power of 0.199 kW.

Please let me know if there are any additional questions.
