

Agreement and Summary of Transaction

In this transaction, Denali Media Anchorage, Corp. (“Denali”), an indirect subsidiary of General Communication, Inc. (“GCI”), seeks to acquire one full-power television station and six translator stations from Affiliated Media, Inc. FCC Trust (the “Trust”).¹ A copy of the Asset Purchase Agreement (“APA”) has been submitted by Assignor at Exhibit 5.

The agreements in this transaction comply with the Commission’s rules and policies. However, in response to Section III, Question 3, Denali has certified “no” because, as noted in Assignor’s Exhibit 5, certain schedules to the APA are not being submitted with this application (but will be provided to the FCC upon request). The omitted schedules contain information which is proprietary in nature and/or not germane to the FCC’s evaluation of the application. *See, e.g., LUJ, Inc.*, 17 FCC Rcd 16980, 16983 (2002).

Concurrent with the filing of this application, Denali’s affiliate Denali Media Southeast, Corp., has filed an application seeking FCC consent to the assignment of the licenses for KATH-LD, Juneau-Douglas, Alaska, and KSCT-LP, Sitka, Alaska, from those stations’ current licensee, Mr. Daniel R. Etulain (d/b/a North Star Television Network, whose sole proprietor is Mr. Etulain).
