

Identification of Stations to Be Divested

The Divestiture Trust Applications, as originally filed, contained an over-inclusive list of radio stations the parties contemplated could be assigned to the divestiture trust. This amendment narrows that list and specifies the radio stations that CBS Radio and Entercom seek to assign to the divestiture trust at the Merger in order to obtain clearance for the Merger from the Antitrust Division of the Department of Justice under the Hart-Scott-Rodino Antitrust Improvements Act and to comply with the FCC's local radio ownership rule.

The parties seek consent to the assignment of the following stations to the divestiture trust. Note that this chart reflects all of the stations that will be placed in the trust (while the chart on the next page indicates which stations will not be placed in trust):

Three of the stations identified above – KSWD, Los Angeles, CA; KSOQ-FM, Escondido, CA; and WGGI, Benton, PA – are the subject of pending applications seeking consent to the sale to Educational Media Foundation (“EMF”). *See* FCC File Nos. BALH-20170926AFA, BALH-20170926AFF, and BALH-20170926AFG. The parties nevertheless request consent to have these three stations placed in the divestiture trust in the event that the sale to EMF has not been approved or has not closed by the date of the Merger. In that event, the stations will be assigned to the divestiture trust subject to the agreement with EMF, and the divestiture trustee, in turn, will file an application with the Commission seeking consent to assign the stations to EMF.

As noted above, the following stations have been removed from Section II, Question 2 of the Divestiture Trust Applications because they will not be assigned to the divestiture trust:
