

**FIGURE 1:** F(50,50) 60 dBu Contour relationship between WYAB 103.9 FM (Facility ID 77646) at Flora, Mississippi, in green, and the herein proposed W245AH 96.9 FM (Facility ID 139924) at Ridgeland, MS, in black. As shown above, the proposed W245AH translator will not extend the WYAB primary service area. As such, W245AH is eligible to be classified as a 'fill-in' translator, with WYAB as its parent facility.
