3.1. Organization and Standing.

Seller is duly organized, validly existing and in good standing as a limited liability company under the laws of the State of Georgia and is duly qualified to do business and is in good standing in all jurisdictions where such qualification is necessary. Seller has the corporate power and authority to own, lease and otherwise to hold and operate the Assets, to carry on the business of the Station as now conducted, and to enter into and perform the terms of this Agreement, and the other Seller Documents and to carry out the transactions contemplated hereby and thereby (the "Transactions").

Since May 31, 2005, there has been no Material Adverse Effect. Since May 31, 2005, Seller has conducted the business of the Station in the ordinary course of business consistent with past practice, and Seller has not: (a) incurred loss of, or injury to, any of the Assets as the result of any fire, explosion, flood, windstorm, earthquake, labor trouble, riot, accident, act of God or public enemy, terrorists or armed forces, or other casualty, except for such losses or injuries which have been cured in accordance with Section 8.2; (b) incurred, or become subject to, any Liability with respect to the Station, except current Liabilities incurred in the ordinary course of business consistent with past practice; (c) mortgaged, pledged or subjected to any Encumbrance any of the Assets other than Encumbrances in connection with Liabilities arising under any credit or loan agreement between Seller and its lenders; (d) sold, exchanged, transferred or otherwise disposed of any Assets, or canceled any debts or claims; (e) entered into any transactions with respect to the Station other than in the ordinary course of business consistent with past practice; (f) made any material change in any method of accounting or accounting practice with respect to the Station; (g) made or committed to make any payments or other transfers in connection with, or in contemplation of, the Transactions; or (h) made any agreement to do any of the foregoing with respect to the Station.

Except for matters set forth on Schedule 3.9, the FCC Licenses constitute all of the licenses, permits and authorizations from the FCC that are necessary or required for and/or used in the business and operations of the Station. The FCC Licenses are valid and in full force and effect through the dates set forth in Schedule 2.1.1. The Station has been operated by Seller in all material respects in accordance with the terms of the FCC Licenses and the Communications Act. Except as set forth in Schedule 3.9, no application, action or proceeding is pending for the renewal or modification of any of the FCC Licenses, and, except for actions or proceedings affecting television broadcast Station generally, no application, complaint, action or proceeding is pending or, to Seller's knowledge, threatened that may result in (a) the revocation, modification, non-renewal or suspension of any of the FCC Licenses, (b) the issuance of a cease-and-desist order, (c) the imposition of any administrative or judicial sanction with respect to the Station, or (d) the denial of any application for renewal. There exists no fact, condition or event relating to Seller or the Station, including compliance by Seller with the Children's Television Act, that would reasonably be expected to cause the FCC to deny the applications for assignment of the FCC Licenses as provided for in this Agreement. Seller has filed with the FCC all material reports, forms and statements required by the FCC to be filed by Seller relating to the Station, including applications for renewal of authority required by applicable Laws.

3.10. Real Property.

3.10.1. Seller has good and marketable title to the Real Property listed in Schedule 2.1.2, free and clear of all Encumbrances, except for (a) those items listed in Schedule 3.10 (which, to the extent so indicated in Schedule 3.10, shall be discharged and removed on or prior to the Closing Date) and (b) Permitted Encumbrances. Notwithstanding the foregoing provisions of this Section 7.1, Buyer may disclose such confidential information (a) to the extent required or deemed advisable to comply with applicable Laws and (b) to its officers, directors, partners, employees, representatives, financing sources, financial advisors, attorneys, accountants, agents, underwriters, lenders, investors and any other potential sources of financing with respect to the Transactions; provided, however, that Buyer shall be liable for any disclosure by any such Person that such Person would not have been permitted to make if such Person were a Buyer hereunder. In the event this Agreement is terminated, Buyer will return to Seller all documents and other material prepared or furnished by Seller relating to the Transactions, whether obtained before or after the execution of this Agreement. In the event that Buyer is required by Law (including without limitation by oral question, interrogatories, requests for information or documents, subpoena, civil investigative demand or similar legal process) to disclose any confidential information, Buyer will promptly notify Seller of such requirement so that Seller may, in its sole discretion, either seek an appropriate protective order or waive Buyer's compliance with the provisions of this Section 7.1. In the event that such protection or other remedy is not obtained or the Seller waives compliance, Buyer agrees to furnish only that portion of the confidential information which Buyer is advised by counsel is legally required and to exercise Buyer's reasonable efforts to obtain assurance that confidential treatment will be accorded such confidential information.

7.2. Corporate Action.

Prior to the Closing, Buyer shall take all corporate action under the Laws of any state having jurisdiction over Buyer necessary to effectuate the Transactions contemplated by this Agreement and the other Buyer Documents.

7.3. Access.

For a period of seven years from and after the Closing Date, Buyer shall cause to be afforded to representatives of Seller reasonable access during normal business hours to the offices, books, records, contracts and reports of the Station which relate to the operations of the

Station during the period during which the Station was owned by Seller and that are included in the Assets (the "Pre-Closing Date Records"), as Seller shall from time to time reasonably request for Seller's reasonable business purposes, and shall provide to Seller copies of any Pre-Closing Date Records reasonably requested by Seller; provided, however, that such investigation shall only be upon reasonable notice and shall not disrupt the personnel or operations of Buyer or the Station. Any costs incurred by Buyer in connection with any such copying shall be paid by Seller. All requests for access to the Pre-Closing Date Records shall be made to such representatives as Buyer shall designate in writing, who shall be solely responsible for coordinating all such requests and all access permitted hereunder. For a period of seven years from and after the Closing Date, Buyer shall not dispose of any Pre-Closing Date Records; provided, however, that Buyer may destroy any Pre-Closing Date Records upon providing 30 days' written notice to Seller of an intent to destroy such Pre-Closing Date Records; provided, further, that Buyer, at Buyer's expense, shall transfer to Seller such Pre-Closing Date Records, rather than destroy them, if before the expiration of such 30 day notice period, Seller directs Buyer to transfer such Pre-Closing Date Records to Seller.

ARTICLE VIII

MUTUAL COVENANTS AND UNDERSTANDINGS

OF SELLER AND BUYER

8.1. Possession and Control.

Between the date hereof and the Closing Date, Buyer shall not, directly or indirectly, control, supervise or direct, or attempt to control, supervise or direct, the business and operations of the Station, and such operation, including complete control and supervision of all programming, shall be the sole responsibility of Seller. On and after the Closing Date, Seller shall have no control over, or right to intervene, supervise, direct or participate in, the business and operations of the Station.

8.2. Risk of Loss.

The risk of loss or damage by fire or other casualty or cause to the Assets until the Closing Date shall be upon Seller. In the event of any such loss or damage prior to the Closing Date, Seller shall restore, replace or repair the damaged Assets to their previous condition. In the event that as of the Closing Date, any such loss or damage shall not have been restored, replaced, or repaired, Seller shall have the right to defer the Closing Date by written notice to Buyer, for a period of up to 60 days after the date on which such loss or damage occurred, subject to reasonable extensions granted by Buyer, in Buyer's sole discretion, for matters beyond the control of Seller such as manufacturer's delays or inclement weather at transmitter sites. In the event that any such loss or damage shall not be restored, replaced, or repaired by the end of such 60 day period, Buyer may, in its sole discretion, either:

(a) proceed with the Closing and receive at the Closing the insurance proceeds or an assignment of the right to receive such insurance proceeds to which Seller

otherwise would be entitled, whereupon Seller shall have no further liability to Buyer for such loss or damage (pursuant to the indemnification provisions of this Agreement or otherwise); or

(b) in the event that such loss or damage prevents the Station from broadcasting as of the close of the above-described period for restoration, replacement or repair, as may be extended by Buyer in Buyer's sole discretion, terminate this Agreement by written notice to Seller, whereupon no party to this Agreement shall have any liability to any other party to this Agreement, and this Agreement in its entirety shall be deemed null, void and of no further force and effect, except for the provisions set forth in Sections 6.3, 7.1 and 13.2 (which shall survive such termination).

Buyer and Seller acknowledge and agree that nothing in this Section 8.2 shall be deemed to waive any requirement that the conditions to closing set forth in Section 9.1 be satisfied as of the Closing Date.

8.3. Public Announcements.

Between the date hereof and the Closing Date, Seller and Buyer shall consult and cooperate with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or the Transactions and shall not issue any such press release or make any such public statement without the prior written consent of the other party, which consent shall not be unreasonably withheld; provided, however, that a party may, without the prior written consent of the other party, issue such press release or make such public statement if it has used all reasonable efforts to consult with the other party to obtain such party's consent but has been unable to do so in a timely manner, and provided, further, that Seller shall be free to make announcements required by 47 CFR §73.3580.

8.4 Bulk Sales Laws.

Buyer hereby waives compliance by Seller, in connection with the Transactions, with the provisions of any applicable bulk transfer laws; provided, however, that Seller shall indemnify and hold Buyer harmless from and against any Losses attributable to Seller's non-compliance with any applicable bulk transfer laws, without regard to the provisions of Article 12.

8.5. Consents.

Prior to the Closing, Seller and Buyer shall take all reasonable action required to obtain all consents, approvals and agreements of any third parties (the initial requests for which shall be provided by Seller) necessary to authorize, approve or permit the consummation of the Transactions; provided that neither Seller nor Buyer shall be required to make any financial accommodations to any third party in order to obtain such consents and approvals (other than payment of any amount otherwise due such third party); provided, further, that although Seller may request release from any contract as part of a request for any such consent, approval or agreement, Seller shall not require that Seller be released from such contract as a condition to obtaining any such consent, approval or agreement. The parties agree that, notwithstanding Section 9.2 and in the sole discretion of Buyer, Seller may retain, until such time as all required consents, approvals and agreements shall have been obtained by Seller, all rights to and liabilities

under the Station Contract to which any required consent or approval pertains if such consent or approval has not been obtained prior to the Closing Date (each, a “Deferred Contract”). Until the assignment of a Deferred Contract, (a) Seller and Buyer shall take all reasonable action to obtain all necessary consents or approvals to remove any other impediments to such assignment, and (b) Seller and Buyer shall cooperate in any arrangement to provide (to the extent permitted without breach of such Deferred Contract) that Buyer shall receive the benefits of such Deferred Contract after the Closing Date to the same extent as if such Deferred Contract had been assigned to Buyer (each such arrangement, an “Alternative Arrangement”). To the extent Buyer receives such benefits, Buyer shall assume Seller’s Liabilities thereunder arising on or after the Closing Date with respect to such Alternative Arrangement, and to such extent such obligations and liabilities shall be deemed to constitute Assumed Liabilities, Buyer shall perform any such obligations of Seller arising under such Alternative Arrangement (to the extent permitted without breach of the relevant Deferred Contract). If, subsequent to the Closing Date, Seller shall obtain all necessary consents or approvals required to assign any Deferred Contract, the Deferred Contract for which consent or approval to assign has been obtained shall at that time be deemed to be assigned to Buyer and assumed by Buyer, without need of further action by Seller or of further documentation except for notice from Seller to Buyer that such consent or approval has been obtained. From and after the effective date such Deferred Contract is assigned to Buyer, (a) no party shall have any further liability under the Alternative Arrangement related thereto and (b) the Deferred Contract shall be deemed to be an Asset and an Assumed Liability.

ARTICLE IX

9.1. Representations and Covenants.

The representations and warranties of Seller made in this Agreement shall be true and correct in all material respects as of the date hereof and shall be true and correct in all material respects on and as of the Closing Date as though made on and as of the Closing Date; provided, however, that as to those representations and warranties that by their terms are already qualified by materiality, this Section shall not be construed to impose a further or additional layer of materiality on the extent to which such representations and warranties must be true and correct as of the date hereof and as of the Closing Date. 9.3. Delivery of Documents.

Seller shall have delivered to Buyer all contracts, agreements, instruments and documents required to be delivered by Seller to Buyer pursuant to Section 11.3.

9.4. FCC Matters.

9.4.2 All of the FCC Licenses shall be in full force and effect and renewed for a full term without material adverse conditions.

9.5. Legal Proceedings.

No injunction, restraining order or decree of any nature of any court or Governmental Authority of competent jurisdiction shall be in effect that restrains or prohibits the transactions contemplated by this Agreement; and no action or proceeding by or before any Governmental Authority (other than an action or proceeding instituted or threatened by Buyer) shall have been instituted or threatened (and not subsequently dismissed, settled or otherwise terminated) which, if determined adversely, would be reasonably likely to (a) restrain, prohibit or invalidate the Transactions or (b) result in a material fine or penalty payable by Buyer or a material restriction in Buyer's operation of the Station as a result of such matter.

9.6. No Material Adverse Effect.

Since the date hereof, there shall not have been any event, change or development that individually or in the aggregate has had or would reasonably be expected to have a Material Adverse Effect.

9.7. Program Contracts.

Evidence reasonably satisfactory to Buyer shall have been provided by Seller that all Liabilities or obligations due or payable through the Closing Date by Seller or the Station pursuant to or under any Program Contract shall have been paid such that the Station is current on such Liabilities or obligations.

Buyer shall not be liable to the Seller Indemnified Parties in respect of any indemnification under Section 12.3(c) or Section 12.3(d) (with respect to breaches of covenants set forth in Section 7.2) except to the extent that the aggregate Losses of the Seller Indemnified Parties under such Sections exceed the Basket Amount, in which event the Seller Indemnified Parties may claim indemnification for all Losses of the Seller Indemnified Parties, including the initial \$50,000.

12.4.2. Buyer acknowledges and agrees that the maximum aggregate liability of Seller pursuant to Section 12.2(c) and Section 12.2(d) (with respect to breaches of covenants set forth in Sections 6.1 and 6.2) of this Agreement to the Buyer Indemnified Parties and any third parties for any and all Losses shall not exceed \$3,750,000; provided, however, that nothing in this Section 12.4.2 shall be construed to constitute a waiver or limitation of any claims by Buyer based on fraud, willful misconduct or bad faith of Seller. Seller acknowledges and agrees that the maximum aggregate liability of Buyer pursuant to Section 12.3(c) and Section 12.3(d) (with respect to breaches of covenants set forth in Section 7.2) of this Agreement to the Seller Indemnified Parties and any third parties for any and all Losses shall not exceed \$3,750,000; provided, however nothing in this Section 12.4.2 shall be construed to constitute a waiver or limitation of any claims by Seller based on fraud, willful misconduct or bad faith of Buyer.

12.5. Conditions of Indemnification.

The obligations and liabilities of Seller and of Buyer hereunder with respect to their respective indemnities pursuant to this Article 12, resulting from any Losses, shall be subject to the following terms and conditions:

12.5.1. The party seeking indemnification (the “Indemnified Party”) must give the other party or parties, as the case may be (the “Indemnifying Party”), notice of any such Losses promptly after the Indemnified Party receives notice thereof; provided that the failure to give

such notice shall not affect the rights of the Indemnified Party hereunder except to the extent that the Indemnifying Party shall have suffered actual damage by reason of such failure.

12.5.2. The Indemnifying Party shall have the right to undertake, by counsel or other representatives of its own choosing (reasonably acceptable to the Indemnified Party), the defense of such Losses at the Indemnifying Party's risk and expense; provided, however, that as a condition to the exercise of such right to undertake defense of such Losses, the Indemnifying Party shall, as between the Indemnifying Party and the Indemnified Party, assume the liability for such Losses, without regard to the limitations set forth in Section 12.4.2.

12.5.3. In the event that the Indemnifying Party shall elect not to undertake such defense, or, within a reasonable time after notice from the Indemnified Party of any such Losses, shall fail to defend, the Indemnified Party (upon further written notice to the Indemnifying Party) shall have the right to undertake the defense, compromise or settlement of such Losses, by counsel or other representatives of its own choosing, on behalf of and for the account and risk of the Indemnifying Party (subject to the right of the Indemnifying Party to assume defense of such Losses at any time prior to settlement, compromise or final determination thereof (with counsel reasonably acceptable to the Indemnified Party)). In such event, the Indemnifying Party shall pay to the Indemnified Party, in addition to the other sums required to be paid hereunder, the costs and expenses incurred by the Indemnified Party in connection with such defense, compromise or settlement as and when such costs and expenses are so incurred.

12.5.4. Anything in this Section 12.5 to the contrary notwithstanding, (a) if any third party alleges the right to or seeks any remedy other than money damages or other money payments, the Indemnified Party shall have the right, at the cost and expense of the Indemnifying Party, to participate in and direct the defense, compromise or settlement of the Losses, (b) the Indemnifying Party shall not, without the Indemnified Party's written consent, settle or compromise any Losses or consent to entry of any judgment which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party of a release from all liability in respect of such Losses in form and substance reasonably satisfactory to the Indemnified Party, and (c) in the event that the Indemnifying Party undertakes defense of any Losses, the Indemnified Party, by counsel or other representative of its own choosing and at its sole cost and expense, shall have the right to consult with the Indemnifying Party and its counsel or other representatives concerning such Losses and the Indemnifying Party and the Indemnified Party and their respective counsel or other representatives shall cooperate with respect to such Losses, (d) in the event that the Indemnifying Party undertakes defense of any Losses, the Indemnifying Party shall have an obligation to keep the Indemnified Party informed of the status of the defense of such Losses and furnish the Indemnified Party with all documents, instruments and information that the Indemnified party shall reasonably request in connection therewith, and (e) in the event that both the Indemnified Party and the Indemnifying Party are parties (directly or through interpleader) to any Losses giving rise to indemnification hereunder and the Indemnified Party is advised by counsel that there is or may be a conflict of interest in the representation of both the Indemnified Party and the Indemnifying Party by one firm of counsel, the Indemnified Party shall be entitled to assume, at the sole cost and expense of the Indemnifying Party, the defense, compromise and settlement (subject to clause (b) above) of

such Loss with counsel (in addition to local counsel) reasonably satisfactory to the Indemnifying Party.

12.5.5. In the event that an Indemnified Party has a good faith basis for a claim for indemnification which does not involve a claim against it by a third party (a "Direct Claim"), the Indemnified Party shall notify the Indemnifying Party in writing of such Direct Claim with reasonable promptness, specifying, to the extent known, the nature, circumstances and amount of such Direct Claim (a "Direct Claim Notice"), including with particularity the specific representation and warranty or covenant and agreement alleged to have been breached; provided, that the failure to give such notice shall not affect the rights of the Indemnified Party hereunder except to the extent that the Indemnifying Party shall have suffered actual damage by reason of such failure. If the Indemnifying Party notifies the Indemnified Party that it disputes an Indemnified Party's right of indemnification with respect to a particular Direct Claim, the parties shall use their reasonable efforts to negotiate a resolution of such dispute promptly. Except to the extent of the limitations on indemnification set forth in this Article 12, nothing in this Section 12.5.5 shall be deemed to prevent any Indemnified Party from initiating litigation under this Agreement with respect to any Direct Claim disputed by the Indemnifying Party for the purpose of establishing the Indemnified Party's right to indemnification hereunder.

12.6. Exclusive Remedy.

Except with respect to fraud, willful misconduct or bad faith, from and after the Closing Date, the indemnification rights provided in Article 12 of this Agreement shall be the sole and exclusive remedy available under contract, tort or any other legal theory to Buyer or any other person with respect to any Losses, including any debts, liabilities, damages, obligations, claims, demands, judgments, and settlements, whether asserted by third parties or incurred or sustained in the absence of third-party claims, including all costs and expenses, including interest, penalties, attorneys' fees and any amounts paid in investigation, defense or settlement of any of the foregoing incurred or sustained pursuant to or in connection with this Agreement or the Transactions.

ARTICLE XIII **TERMINATION**

13.1. Termination.

This Agreement may be terminated at any time prior to the Closing by:

- (a) the mutual consent of Seller and Buyer;
- (b) either Buyer or Seller, by written notice of termination delivered to the other, if (i) the Closing Date has not occurred within 12 months after the date of this Agreement; provided, however, that the failure of the Closing to have occurred within 12 months of the date of this Agreement shall not be attributable to the breach of this Agreement by the party seeking termination pursuant to this Section 13.1(b); and provided, further, that Buyer's right to terminate this Agreement pursuant to this Section 13.1(b) shall be subject to Seller's rights to extend the Closing Date pursuant to Section 8.2 and that Seller's right to terminate this

Agreement pursuant to this Section 13.1(b) shall be subject to Buyer's rights to extend the Closing Date pursuant to Section 11.1.1; or (ii) the FCC designates the FCC Applications for an evidentiary hearing;

(c) either Buyer or Seller in the event that any court or Governmental Authority of competent jurisdiction shall issue a final, non-appealable injunction prohibiting the Transactions; provided, however, that the issuance of such final, non-appealable injunction shall not be attributable to the breach of this Agreement by the party seeking termination pursuant to this Section 13.1(c);

(d) either Buyer or Seller in accordance with the terms and conditions of Article 14;
or

(e) Buyer, by written notice of termination delivered to Seller, if the condition set forth in Section 9.6 shall not have been satisfied in all respects.

(f) Buyer, if conditions set forth in Section 9.4.2 have not been met by December 31, 2005.

(g) Buyer, if all Schedules and Exhibits are not delivered to Buyer on or before August 1, 2005 and approved by Buyer on or before August 15, 2005.

13.2. Effect of Termination.

13.2.1. In the event this Agreement is terminated as provided in Sections 13.1(a), (b), (c) or (e), this Agreement shall be deemed null, void and of no further force or effect, and the parties hereto shall be released from all future obligations hereunder; provided, however, that the provisions of this Section 13.2 and the obligations of Buyer and Seller set forth in Sections 6.3 and 7.1 (Confidentiality), and Section 15.3 (which relates to payment of certain expenses), shall survive such termination and the parties hereto shall have any and all remedies to enforce such obligations provided at law or in equity or otherwise (including specific performance) and provided further that Seller shall release escrow funds to Buyer pursuant to the terms of the Escrow Agreement.

13.2.2.
