**Re: WLBC-FM, Muncie, IN (Facility ID #17602)
Notification of Resumption of Full Power Operation**

Dear Ms. Dortch:

On behalf of Backyard Broadcasting Indiana Licensee, LLC, the licensee of radio station WLBC-FM, Muncie, Indiana, this is to notify the Commission that WLBC-FM resumed full power operation on December 6, 2012. Prior to that date, WLBC-FM had been temporarily operating at reduced power under an STA granted by the Commission on October 16, 2012 (File No. BSTA-20121015ABV) in order to repair a faulty harmonic filter on the station's main transmitter. Please note that the Commission has previously been notified of WLBC-FM's resumption of full-power operation via a December 10, 2012 e-mail from WLBC-FM's chief engineer to the Commission's Chicago Field Office.

Should there be any questions concerning this matter, please contact the undersigned.

Very truly yours,

Gregory L. Masters
