This Agreement has been duly and validly executed and delivered by such party and constitutes, and upon the execution and delivery by such party of the Operative Agreements to which it is a party, such Operative Agreements will constitute, legal, valid and binding obligations of such party enforceable against it in accordance with their terms, except as the same may be limited by bankruptcy, insolvency, reorganization, arrangement, moratorium or other similar Laws relating to or affecting the rights of creditors generally, or by general equitable principles.

10. Notices. 11. Assignment. This Agreement and all of the provisions hereof will be binding upon and inure to the benefit of the parties and their respective successors and assigns; provided that, neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by Grantor without the prior written consent of Option Holder. Any such assignment made by Grantor without the prior written consent of Option Holder shall be null and void. Notwithstanding the foregoing, Option Holder may, without obtaining the prior consent of Grantor, assign this Agreement and any of its rights or obligations hereunder to any Person; *provided, however*, that Option Holder, as assignor, shall remain liable for its obligations hereunder. Option Holder shall provide to Grantor written notice of any such assignment of this Agreement and any of its rights or obligations hereunder. Any permitted assignee of Grantor or Option Holder hereunder shall be a “party” to this Agreement for all purposes hereof.

12. Certain Matters. The representations, warranties and covenants set forth in the Option Agreement, this Agreement and any Operative Agreement shall survive the Closing for a period of 12 months. After the Closing, Grantor shall indemnify and hold harmless Option Holder and each of its past and present Affiliates from and against any and all damages, losses, taxes, claims, liabilities, demands, charges, suits, penalties, costs and expenses (including court costs and reasonable attorneys’ fees and expenses of a single law firm incurred in investigating and preparing for any litigation or proceeding), arising out of or incurred with respect to (i) any breach of a representation or warranty set forth in Article III or IV of the Option Agreement or a representation or warranty in this Agreement, and (ii) the breach or non-performance of any covenant or obligation to be performed by Grantor hereunder or under the Option Agreement. Notwithstanding the foregoing or anything else herein to the contrary, after the Closing, except

in the case of fraud, the maximum aggregate liability of Grantor under this Agreement shall be the Exercise Price. Each party shall be entitled to seek specific enforcement of this Agreement.

13. No Third Party Beneficiaries. Except as expressly provided herein, this Agreement is not intended to, and shall not, confer upon any other person except the parties hereto any rights or remedies hereunder.

14. Governing Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by and construed in accordance with the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York. In furtherance of the foregoing, the internal law of the State of New York will control the interpretation and construction of this Agreement (and all schedules and exhibits hereto), even if under that jurisdiction's choice of law or conflict of law analysis, the substantive law of some other jurisdiction would ordinarily apply.

15. Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid or enforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in any acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible.

16. Publicity. None of the parties hereto shall make or issue or cause to be made or issued, any announcement (written or oral) concerning this Agreement or the transactions contemplated hereby for dissemination to the general public without the prior consent of the other party. This provision shall not apply, however, to any announcement or written statement required to be made by law or the regulations of any federal or state governmental agency or any stock exchange, except that the party required to make such announcement shall provide a draft copy thereof to the other party hereto, and consult with such other party concerning the timing and content of such announcement, before such announcement is made.

17. FCC Compliance. Notwithstanding any provision to the contrary herein, Option Holder's rights under this Agreement are subject to the Communications Act and the FCC Regulations.

18. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The delivery of an executed counterpart of the Agreement by facsimile or electronic transmission will be deemed to be an original counterpart of the Agreement so transmitted.

19. Headings. The section headings contained in this Agreement are solely for the purpose of reference, are not part of the agreement of the parties and shall not in any way affect the meaning or interpretation of this Agreement.

20. Entire Agreement. This Agreement, including the documents delivered pursuant to this Agreement or other written agreements referring specifically to this Agreement (other than the Purchase Agreement), together with the Option Agreement, embody the entire agreement and understanding of the parties hereto in respect of the transactions contemplated by this Agreement. Except as expressly modified herein, the Option Agreement shall continue to be, and shall remain, in full force and effect.

21. Termination of this Agreement Only. In the event that, pursuant to Section 1.5(a) of the Option Agreement, Option Holder withdraws any Call Option Exercise Notice given pursuant to Section 2 of this Agreement, this Agreement (but not the Option Agreement) shall terminate without liability for any party, other than for breach of this Agreement or the Option Agreement prior to such termination, and Grantor agrees to proceed as set forth on Schedule 21.
