Mr. Walter May, Owner
WPKE – FM
Box 2200
Pikeville, KY 41501

RE: Engineering Statement
New antenna for WPKE – FM 103.1
Coal Run, KY

I have on this date observed the installation of the new 2 bay directional antenna for WPKE – FM. I certify this antenna has been oriented and checked by surveyor and has been mounted exactly per manufacturers (ERI) installation instructions.

The directional reflectors have been mounted correctly and there are no other antennas or hardware within 25 feet of the WPKE antenna.

Peter C. L. Boyce, President
