

WILX-TV, Onondaga, MI
Facility ID 6863
Form 302-DT

WILX was granted a construction permit (FCC File No. BMPCDT-20080618AAZ) for the facilities specified in this license to cover application on September 9, 2009. On September 22, 2009, WILX began operating with the facilities specified in that construction permit. The license application was prepared, but due to an inadvertent oversight, it was not timely filed. WILX respectfully requests authority to continue operating pursuant to program test authority while this license application is processed.
