End of Screen List

WZBZ currently operates on Ch. 257A.
It is grandfathered under section 73.213C - 3 kW.

GF to WJBR-FM/258B & WBHX/259A

No 6 kW area exists.

WBHX proposes to **swap channels** with **WZBZ**
and to move to a new tower site (ASRN: 1048341).

WBHX will operate under Section 73.215.

WZBZ will remain at its existing site &
will still be GF under 3 kW rules.

WBHX 259A to 257A & WZBZ 257A to 259A.

The move of WZBZ to 259A will require
WPOV-LP to move from 260L1 to 299L1.
WPOV-LP already holds a CP (BPL-20100804ACV)
proposing Ch. 299L1 from a new site.
