

**DESCRIPTION OF ASSIGNMENT OF LICENSE**

The instant application involves a *pro forma* assignment of licenses from one wholly owned subsidiary to another in connection with an internal corporate reorganization. The Assignor is a wholly owned subsidiary of Hearst-Argyle Television, Inc. ("Hearst-Argyle"). The Assignee is also a wholly owned subsidiary of Hearst-Argyle. A graphical depiction of the proposed *pro forma* assignment of licenses is contained in Exhibit 10.

Hearst-Argyle intends to cause Assignor and Assignee to enter into a Plan of Merger, pursuant to which and subject to Commission consent, Hearst-Argyle will cause the Assignor to assign, and the Assignee to assume, the licenses of KCRA-TV and KQCA(TV). As Hearst-Argyle is the parent company of both the Assignor and Assignee, Hearst-Argyle will maintain ultimate control of the licenses, necessary physical property, and station programming related to KCRA-TV and KQCA(TV) before and after the proposed *pro forma* assignment of licenses.

The qualifications of Hearst-Argyle and its attributable parties were last approved by the Commission in FCC File Number BALCT-20040130BHP (assignment of license of WMTW-TV).
