

TECHNICAL STATEMENT  
RADIO MULTIPLE OWNERSHIP ANALYSIS  
CLEAR CHANNEL BROADCASTING LICENSES, INC.

This statement and the attached figures were prepared on behalf of Clear Channel Broadcasting Licenses, Inc. ("CCBL"), a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). CCBL proposes to change the community of license of KHKZ. A multiple ownership analysis was prepared considering the following radio stations under present or proposed common ownership, time brokerage or joint sales:<sup>1</sup>

Table 1: Proposed Commonly Owned, Brokered or Jointly-Sold Stations  
Studied and Associated Arbitron Metro<sup>2</sup> Information

Calls	Fac ID	Band	Community	County	State	Geographic Arbitron Market	Declared Arbitron Market
KBFM	40777	FM	Edinburg	Hidalgo	TX	Harlingen, TX	Harlingen, TX
KHKZ <sup>3</sup>	36166	FM	Mercedes	Hidalgo	TX	Harlingen, TX	Harlingen, TX
KQXX-FM	36168	FM	Mission	Hidalgo	TX	Harlingen, TX	Harlingen, TX
KTEX <sup>4</sup>	64631	FM	Brownsville	Cameron	TX	Harlingen, TX	Harlingen, TX
KVNS	87142	AM	Brownsville	Cameron	TX	Harlingen, TX	Harlingen, TX

Since certain of these stations have overlapping principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations), or are located in, or home to, the same Arbitron Metro Market, an ownership study has been prepared in accordance with the Federal Communications Commission's local radio ownership rule.<sup>5</sup>

CCC does not have an attributable interest in any other station with a principal community contour that overlaps or intersects the principal community contour of KHKZ as proposed, or which is located in the same Arbitron Metro<sup>6</sup> as KHKZ.

San Benito, Texas is located in Cameron County, Texas, which is geographically within the Harlingen, Texas Arbitron Metro. It is anticipated that KHKZ also will continue to be reported by BIA as being "Home" to the Harlingen, Texas Arbitron Metro. Contour overlap of the station to be modified also occurs with commonly-owned stations whose communities of license are located in the Harlingen, Texas Arbitron Metro market.

<sup>1</sup> None of the following stations are attributable by virtue of a time brokerage agreement or joint sales agreement.

<sup>2</sup> Arbitron data presented herein is obtained from BIA's "Media Access Pro."

<sup>3</sup> Current Arbitron data reflects the KHKZ Community of License to be Mercedes, TX. This application seeks a community of license change to San Benito, TX.

<sup>4</sup> By separate application, a proposal to change the KTEX Community of License from Brownsville, TX to Mercedes, TX will be filed.

<sup>5</sup> See 47 C.F.R. § 73.3555(a).

<sup>6</sup> A station is considered to be "located in an Arbitron Metro" if the station's community of license is located within the boundaries of that Metro, or, the station is listed as "Home" to that Metro by BIA.

## Arbitron Market Study

KHKZ is relocating its Community of License within the Harlingen, Texas Arbitron Metro. This proposal continues compliance with the local radio ownership rules for that Arbitron Metro, as evidenced by Table 2 below:

Table 2 - Stations Considered to be in the  
Harlingen, TX Arbitron Metro<sup>7</sup>

Count	Calls	Fac ID	Band	Owner	Status	Community	County

#### Interim Contour-Overlap Analysis

Because the proposed principal community contour of the station to be modified does not intersect the principal community contour of any station under common ownership or attribution whose community of license is located outside any Arbitron Metro, an interim contour-overlap analysis is not required.

#### Conclusion

In the Arbitron Metro Market studied herein, there are at least 29 radio stations, including the subject commonly-owned 4-FM/1-AM stations, one of those being KHKZ (App), which are home to the Harlingen, Texas Metro.

Based on the above, it is concluded that the proposed modification complies with Section 73.3555(a) of the FCC Rules.

Respectfully submitted,

Lance Nelms  
FCC Engineer
