File No. BSFDTL-20060630ALD

Dear Applicants:

This letter concerns the above-referenced applications for low power television digital companion channels filed in the auction filing window.

You have submitted a settlement agreement to resolve the mutual exclusivity among these applications. The settlement between Journal Broadcasting Corporation (Journal) and King Broadcasting Company (King) calls for the dismissal of Journal's application and the grant of King's application in MX Group 027. Upon review of your settlement agreement and related documents, we find that it complies with Section 311(c) of the Communications Act and Section 73.3525 of the Commission's Rules. Application File No. BSFDTL-20060630CWP is hereby dismissed.

As for application File No. BSFDTL-20060630ALD, within 30 days of the date of this letter, the applicants must submit a complete FCC Form 346 (June 2000 version) for each file number, pursuant to the procedures set forth in the

Commission's rules.<sup>1</sup> You must file your FCC Form 346 application electronically. You have to choose "Long form auction 85" option from perform screen. Instructions for use of the electronic filing system are available in the CDBS User's Guide, which can be accessed from the electronic filing web site at: [www.fcc.gov/mb](http://www.fcc.gov/mb). For assistance with electronic filing, call the Media Bureau Help Desk at (202) 418-26MB.

The staff will return applications not submitted in accordance with the procedures described above. The staff will dismiss, without further processing, the previously filed technical submissions of any applicant that fails to submit the complete FCC Form 346 by the deadline set forth herein.<sup>2</sup>

The staff will study the submitted FCC Form 346 applications for acceptability. It will subsequently announce applications determined to be acceptable for filing and for which the staff is prepared to grant. Petitions to deny these FCC Form 346 applications must be filed within 15 days following the release of the public notice announcing acceptance of the applications at issue.<sup>3</sup> Interested parties should monitor these public notices.

Sincerely,
