

Multiple Ownership

Stations: WBAZ(FM), Bridgehampton, New York (FCC Facility ID No. 52061)
WBEA(FM), Southold, New York (FCC Facility ID No. 52060)
WEHM(FM), Manorville, New York (FCC Facility ID No. 52059)
WEHN(FM), East Hampton, New York (FCC Facility ID No. 18218)

Markets: Nassau-Suffolk, New York (home market) and New York, New York.

The proposed assignee, LRS Radio, LLC (“LRS”), holds no attributable interest in any medium of mass communications. By this application, LRS proposes to acquire the four (4) FM stations listed above (the “Stations”). Each of the Stations is home to the Nassau-Suffolk, New York Arbitron market, which is embedded in the New York, New York Arbitron market.

The attached Exhibits, *FCC Geographic Market Definition for Nassau-Suffolk, NY* (“Exhibit A”) and *FCC Geographic Market Definition for New York NY* (“Exhibit B”), were compiled on December 17, 2013 using BIA Research, Inc.’s *Media Access Pro* database. Exhibit A lists all radio stations, including the above-referenced stations, that are listed as “home” to the Nassau-Suffolk, New York Arbitron market, or that have a community of license located within the counties comprising the Nassau-Suffolk, New York Arbitron market, even if such stations list another Arbitron market as “home.” Exhibit B lists all radio stations, including the above-referenced stations, that are listed as “home” to the New York, New York Arbitron market, or that have a community of license located within the counties comprising the New York, New York Arbitron market, even if such stations list another Arbitron market as “home.”

As demonstrated in Exhibit A, there are 46 stations in the Nassau-Suffolk, New York Arbitron market. Pursuant to the local radio ownership rules, 47 C.F.R. §73.3555(a)(1)(i), a person or single entity (or entities under common control) in a radio market with 45 or more full-power, commercial and noncommercial radio stations may have a cognizable interest in not more than 8 commercial radio stations in total, and not more than 5 commercial stations in the same service (AM or FM).

As demonstrated in Exhibit B, there are 153 stations in the New York, New York Arbitron market. Pursuant to the local radio ownership rules, 47 C.F.R. §73.3555(a)(1)(i), a person or single entity (or entities under common control) in a radio market with 45 or more full-power, commercial and noncommercial radio stations may have a cognizable interest in not more than 8 commercial radio stations in total, and not more than 5 commercial stations in the same service (AM or FM).

Upon a grant of the pending application and the consummation of the transactions proposed therein, LRS would have an attributable interest in four (4) FM stations in the Nassau-Suffolk, New York market and four (4) FM stations in the New York, New York market. Therefore, the transaction proposed by the application would comply with the local radio ownership rules set forth at 47 C.F.R. §73.3555(a)(1)(ii).
