Post-Consummation Ownership Information for Cumulus Media Inc.¹

As explained in Exhibit 6 to this application, subject to the terms of the Merger Agreement, each holder of Citadel Class A Common Stock or Citadel Class B Common Stock will have the right to receive (1) \$37.00 in cash, (2) 8.525 shares of CMI Class A Common Stock (which has voting rights), or (3) a combination of cash and CMI Class A Common Stock. Holders of Citadel warrants may elect prior to closing to have their warrants become exercisable for either cash, CMI Class A Common Stock, or a combination of cash and CMI Class A Common Stock. If no election is made, all Citadel warrants will be converted as of the closing into the right to receive cash, CMI Class A Common Stock, or a combination of cash and CMI Class A Common Stock in accordance with the provisions applicable to holders of Citadel Class A Common Stock and Citadel Class B Common Stock. The right of Citadel stockholders and warrant holders to receive cash and/or CMI Class A Common Stock is subject to certain caps in the Merger Agreement on the amount of CMI Class A Common Stock and cash that can be distributed. Those caps preclude any definitive determination prior to closing with respect to a precise distribution of cash and CMI Class A Common Stock to Citadel stockholders. Appended to Exhibit 6 as Attachment B are *pro forma* depictions which reflect the range of CMI Class A Common Stock that can be given to Citadel stockholders and warrant holders.²

In addition to the holders of Citadel Common Stock and Citadel warrants, shares of CMI Class A Common Stock will be distributed to new investors: (1) shares will be distributed to Crestview Radio Investors, LLC ("Crestview") based upon its investment of between \$225 million and \$250 million; and (2) another investor, MIHI LLC, will be entitled to syndicate to third parties (the "Macquarie Investors") up to \$125 million of CMI Class A Common Stock. The range of CMI Class A Common Stock that can be distributed to the new investors is also reflected in Attachment B.³ The precise amount of CMI Class A Common Stock to be

¹ The Class A voting stock of CMI is publicly-traded and is held by, among others, various investment companies, insurance companies, or other institutional investors. To CMI's knowledge, except as set forth in the following tables, all of these institutional investors hold less than 20% of CMI's voting stock and none of them has any influence, either directly or indirectly, over the management or operation of CMI or its subsidiaries. With the exception of DBBC, L.L.C., B.A. Capital Company, L.P., and Banc of America Capital Investors SBIC, L.P., each of which hold less than 5% of CMI's voting stock, none of CMI's officers or directors is associated with any of those institutional investors. All of the Class C voting stock of CMI, which is not publicly traded, is held by Lewis W. Dickey, Jr. Each share of Class C voting stock has ten (10) votes.

² Under the Merger Agreement, holders of Citadel's non-voting Class B Common Stock (as well as holders of warrants for Citadel's non-voting Class B Common Stock) can elect to acquire CMI's Class A Common Stock. It is impossible to determine now whether the holders of Class B Common Stock or holders of warrants for Class B Common Stock will elect to acquire shares of CMI Class A Common Stock that would exceed 4.99% in any one instance.

³ Attachment B also reflects the CMI Class A Common Stock that will be distributed prior to closing to Blackstone FC Communications Partners, L.P., Blackstone Communications FCC L.L.C., Blackstone FC Capital Partners IV L.P., Blackstone FC Capital Partners IV-A L.P., Blackstone Family FCC L.L.C., and

distributed to Crestview and the Macquarie Investors will not be known until sometime shortly before consummation of the proposed merger.

As demonstrated in Exhibit 6 to this application, regardless of the actual amount of CMI Class A Common Stock that ultimately will be issued to the above parties, there will nevertheless be a transfer of control of CMI because after consummation of the Merger Agreement, the current shareholders of CMI will hold less than 50% of the Class A Common Stock. The majority of CMI Class A Common Stock will be held by the former holders of Citadel Common Stock and Citadel warrants, Crestview, and the Macquarie Investors. Thus, for purposes of this application, CMI has assumed that the proposed transferees will hold the greatest amount of CMI Class A Common Stock set forth in Attachment B to Exhibit 6 upon consummation of the proposed merger, and those amounts have been used in the following tables in this Exhibit concerning CMI's post-consummation ownership structure.

Blackstone Participation FCC L.L.C. in conjunction with the consummation of the transfer of control of CMP. Collectively, the foregoing Blackstone funds will hold less than 5% of the CMI Class A Common Stock after consummation.

⁴ Unless otherwise indicated in this Exhibit, this column sets forth information with respect to equity holdings only and does not include debt. The amount of CMI's outstanding debt constantly fluctuates. No party providing debt financing to CMI (or any party under common control with the debt provider) holds an attributable interest in CMI or any party under common control with CMI. Consequently, providing information as to debt holdings would have no bearing on the identification of parties with attributable interests in CMI. To the extent such information relating to debt were included, it would merely reduce the percentages of certain parties in this column in the total equity of CMI.
