**Re: KUSB(FM), Hazelton, ND, Facility No. 162267
KBYZ(FM), Bismarck, ND, Facility No. 43221**

Dear Ms. Dortch:

Townsquare Media Bismarck License, LLC, the licensee of the above-referenced stations, by its attorneys, hereby notifies the Commission that KUSB(FM), Hazelton, ND and KBYZ(FM), Bismarck, ND are operating with reduced power.

The combined antenna for KBYZ and KUSB recently malfunctioned, and the stations began operating with reduced power on March 14, 2013. To date, severe weather in the area has prevented tower climbers from assessing the extent of the damage.

Townsquare will promptly notify the Commission of the stations' resumption of full-power operations. In the alternative, Townsquare will submit requests for special temporary authority if KBYZ and KUSB are unable to resume full-power operations by April 14.

Please contact Howard Liberman of this firm at 202-842-8876 or me with any questions.

Sincerely,

Alisa R. Lahey
