

TIME BROKERAGE AGREEMENT

THIS TIME BROKERAGE AGREEMENT (this "Agreement") is made as of the 1st of April, 2015 by and between **Sun Broadcasting, Inc.**, ("Licensee") and **WXKO, LLC.** ("Programmer").

Recitals

A. Seller owns and operates the following radio broadcast Stations (the "Stations") pursuant to certain authorizations issued by the Federal Communications Commission (the "FCC"):

WXKO (AM), Fort Valley, Georgia (Facility I.D. 41988)
W290BD (FX), Montezuma, Georgia (Facility I.D. 153357)

B. Programmer has available and is producing radio programs that it desires to have broadcast on the Stations, and therefore desires to purchase airtime from Licensee for the broadcast of such programs.

C. Licensee has agreed to make available to Programmer airtime on the Stations and accept for broadcast the programs of Programmer on the terms and conditions set forth in this Agreement.

D. Licensee and Programmer are parties to an Asset Purchase Agreement (the "Purchase Agreement") of even date hereof with respect to the Stations.

Agreement

NOW, THEREFORE, taking the foregoing recitals into account and in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. Term. The term of this Agreement (the "Term") will begin at 12:01AM on **May 1, 2015** (the "Commencement Date") and will continue until the date two (2) years after the Commencement Date, unless earlier terminated pursuant to this Agreement, the terms of the Purchase Agreement, or consummation of the transactions contemplated by the Purchase Agreement.

2. Programmer's Purchase of Airtime and Provision of Programming. During the Term, Programmer shall purchase from Licensee airtime on the Stations for the price and on the terms specified below, and shall transmit to Licensee programming (the "Program" or "Programs") for broadcast on the Stations twenty-four (24) hours per day, seven (7) days per week, except for periods of regularly scheduled or necessary maintenance and excluding the period from 6:00 a.m. to 7:00 a.m. each Sunday morning on the Stations at which time Licensee may, but is not required to provide programming to the Stations (the "Broadcasting Period").

Programmer will transmit, at its own cost, its Programs to the Stations transmitting facilities via a mode of transmission (e.g., satellite facilities, microwave facilities and/or telephone lines) that will ensure that the Programs meet technical and quality standards reasonably acceptable to Licensee. Notwithstanding anything herein to the contrary, the Stations shall continue to broadcast any programming required to be aired under the terms of the Contracts (as defined in the Purchase Agreement) existing on the date of this Agreement.

3. Broadcasting Obligations. In return for the payments to be made by Programmer hereunder, during the Term, Licensee shall broadcast the Programs delivered by Programmer during the Broadcasting Period specified in Section 2 above, subject to the provisions of Section 6 below. Notwithstanding anything herein to the contrary, (i) Programmer may (but shall not be obligated to) stream programming furnished hereunder on the Stations' internet website (if any) at Programmer's expense, and Programmer shall be entitled to all revenue therefrom, and (ii) Licensee shall not include any programming furnished by Programmer hereunder in any internet streaming (if any) unless requested to do so by Programmer.

4. Advertising Sales; Accounts Receivable. Programmer will be exclusively responsible for the sale of advertising on the Stations and for the collection of accounts receivable arising therefrom. Programmer shall be entitled to receive all revenues of the Stations (including without limitation all revenues from the Stations' website, if any) during the Term, and shall have the right to and authority to endorse, without recourse, with the name of Licensee, any checks received in respect of the accounts receivable. Licensee agrees that it will refrain from taking any action with respect to the accounts receivable and will promptly assign payment of any account receivable to Programmer upon Programmer's request. All contracts for advertising on the Stations that may be entered into by Programmer shall terminate upon the termination of this Agreement (other than a termination pursuant to Section 9).

5. Term Payments. For the broadcast of the Programs and the other benefits made available to Programmer pursuant to this Agreement, during the Term, Programmer will compensate and reimburse the Licensee as set forth on Schedule A attached hereto.

6. Operation, Ownership and Control of the Stations. Notwithstanding anything to the contrary in this Agreement, as long as Licensee remains the licensee of the Stations, it will have full authority, power and control over the operation of the Stations. Licensee will bear the responsibility for the Stations' compliance with all applicable provisions of the rules and policies of the FCC and all other applicable laws. Without limiting the generality of the foregoing, Licensee will: (1) employ a Stations Manager, (2) employ another person of Licensee's selection for the Stations, who will report and be solely accountable to the Stations' Manager and who shall have no employment, consulting, or other relationship with Programmer, and (3) retain control over the policies, programming and operations of the Stations. Nothing contained herein shall prevent Licensee from (a) rejecting or refusing programs which Licensee believes to be contrary to the public interest, or (b) substituting programs which Licensee believes to be of greater local or national importance or which are designed to address the problems, needs and

interests of the local community. Licensee reserves the right to refuse to broadcast any Program containing matter which violates any right of any third party or which constitutes a “personal attack” as that term has been defined by the FCC. Licensee also reserves the right to refuse to broadcast any Program which does not meet the requirements of the rules, regulations, and policies of the FCC or the regulations and restrictions set forth in Sections 10 and 11, hereof. Licensee further reserves the right to preempt any Program in the event of a local, state, or national emergency. If Licensee preempts, rejects or otherwise refuses to broadcast any Program, then Licensee shall broadcast substitute programming of equal or greater value to Programmer. Programmer agrees to cooperate with Licensee to ensure that EAS transmissions are properly performed in accordance with Licensee’s instructions. Licensee reserves the right to delete any commercial announcements that do not comply with the requirements of the FCC’s sponsorship identification policy. Programmer will immediately serve Licensee with notice and a copy of any letters of complaint it receives concerning any Program for Licensee review and inclusion in its public inspection file.

7. Maintenance of Signal. Licensee has ultimate operating control of the Stations. All general maintenance and technical matters shall be the responsibility of the Licensee.

8. Purchase Agreement. With respect to the Stations, this Agreement shall automatically terminate upon Closing under the Purchase Agreement.

9. Music Licenses. During the Term, Licensee will obtain and maintain in full force and effect in its own name all music licenses (“Music Licenses”) as are currently operative with respect to the Stations and as will be required by the licensor of those Music Licenses. All Music Licenses fees during the Term shall be reimbursed by Programmer.

10. Programs.

10.1 Production of the Programs; Program Format. Licensee acknowledges that it is familiar with the programming Programmer currently produces and has determined that the broadcast of such programming on the Stations would serve the public interest. Programmer agrees that the contents of the Programs it transmits to Licensee shall conform to all FCC rules, regulations and policies. Programmer agrees that it will consult with Licensee in the selection of the Programs it transmits to Licensee to ensure that the Programs’ content contains matters responsive to issues of public concern in the local communities, as those issues are made known to Programmer by Licensee. Licensee acknowledges that ownership of the Programs, and all parts thereof, and the right to authorize their use in any manner and in any media whatsoever, shall be and remain vested in Programmer. During the Term, Programmer may, with Licensee’s prior written consent, which consent shall not be unreasonably withheld, change the format of the Stations.

10.2 Political Time. Licensee shall oversee and take ultimate responsibility with respect to the provision of equal opportunities, lowest unit charge, and reasonable access to political candidates, and compliance with the political broadcast rules of the FCC. Programmer

shall cooperate with Licensee as Licensee complies with its political broadcast responsibilities, and shall supply such information promptly to Licensee as may be necessary to comply with the political time record keeping and lowest unit charge requirements of federal law. To the extent that Licensee believes necessary, in its sole discretion, Programmer shall release advertising availabilities to Licensee during the Broadcasting Period to permit Licensee to comply with the political broadcast rules of the FCC and the provisions of *Section 315 of the Communications Act of 1934, as amended*; provided, however, that revenues received by Licensee as a result of any such release of advertising time shall promptly be remitted to Programmer.

11. Expenses. During the Term, Programmer will be responsible for (i) the salaries, taxes, insurance and related costs for all personnel used in the production of the Programs supplied to Licensee, (ii) the costs of delivering the Programs to Licensee, and (iii) all additional utility and costs which are not covered by the Licensee in the ordinary course of Stations operations. Licensee shall be responsible for (x) normal Stations operational costs such as utilities, telephone, taxes and insurance, (y) general signal maintenance and (z) all its personnel necessary for the management of the Stations. The parties specifically agree and understand that the Programmer shall reimburse Licensee for all said operational costs noted above.

12. Call Signs. During the Term, Licensee will retain all rights to the call letters of the Stations or any other call letters which may be assigned by the FCC for use by the Stations, and will ensure that proper Stations identification announcements are made with such call letters in accordance with FCC rules and regulations. Programmer shall include in the Programs it delivers for broadcast an announcement at the beginning of each hour of such Programs to identify such call letters, as well as any other announcements required by the rules and regulations of the FCC. Programmer is specifically authorized to use such call letters in its Programs.

13. Events of Default; Termination.

13.1 Programmer's Events of Default. The occurrence of any of the following will be deemed an Event of Default by Programmer under this Agreement: (a) Programmer fails to make timely payments as provided for in Section 5 of this Agreement; (b) Programmer fails to observe or perform its other obligations contained in this Agreement in any material respect; or (c) Programmer breaches the representations and warranties made by it under this Agreement in any material respect.

13.2 Licensee Events of Default. The occurrence of the following will be deemed an Event of Default by Licensee under this Agreement: (a) Licensee fails to observe or perform its obligations contained in this Agreement in any material respect; or (b) Licensee breaches the representations and warranties made by it under this Agreement in any material respect.

13.3 Cure Period. Except with respect to the payment due pursuant to Section 5 (and Schedule A hereof) for which no cure period shall apply, and notwithstanding Sections 14.1

and 14.2 hereof, an Event of Default will not be deemed to have occurred until ten (10) days after the non-defaulting party has provided the defaulting party with written notice specifying the Event of Default and such Event of Default remains uncured.

13.4 Termination in the Event of Default. Upon the occurrence of an Event of Default, and in the absence of a timely cure pursuant to Section 14.3, the non-defaulting party may terminate this Agreement, by sending written notice to the defaulting party. Such termination shall be effective five (5) business days after the date on which written notice was sent by the non-defaulting party.

13.5 Cooperation Upon Termination. If this Agreement is terminated for any reason, the parties agree to cooperate with one another and to take all actions necessary to rescind this Agreement and return the parties to the *status quo ante*.

14. Indemnification. Programmer shall indemnify and hold Licensee harmless against any and all liability that results from a breach by Programmer of any of its representations, warranties, covenants or agreements contained in this Agreement, or for libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights of privacy, and infringement of copyrights and proprietary rights resulting from the broadcast of the Programs on the Stations. Licensee shall indemnify and hold Programmer harmless against any and all liability that results from a breach by Licensee of any of its representations, warranties, covenants or agreements contained in this Agreement, or for libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights of privacy, and infringement of copyrights and proprietary rights resulting from the broadcast of Licensee's programming on the Stations. The obligations under this Section shall survive any termination of this Agreement for one (1) year.

15. Authority. Programmer and Licensee each represent and warrant to the other that (i) it has the power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, (ii) it is in good standing in the jurisdiction of its organization and is qualified to do business in all jurisdictions where the nature of its business requires such qualification, (iii) it has duly authorized this Agreement, and this Agreement is binding upon it, and (iv) the execution, delivery, and performance by it of this Agreement does not conflict with, result in a breach of, or constitute a default or ground for termination under any agreement to which it is a party or by which it is bound.

16. Modification and Waiver; Remedies Cumulative. No modification of any provision of this Agreement will be effective unless in writing and signed by all parties. No failure or delay on the part of Programmer or Licensee in exercising any right or power under this Agreement will operate as a waiver of such right or power, nor will any single or partial exercise of any such right or power or the exercise of any other such right or power. Except as otherwise provided in this Agreement, the rights and remedies provided in this Agreement are cumulative and are not exclusive of any other rights or remedies which a party may otherwise have.

17. Assignability; No Third Party Rights. Neither this Agreement nor any rights or obligations hereunder may be assigned by Licensee or Programmer without the prior written consent of the other party, which consent shall not be unreasonably withheld, delayed or conditioned. This Agreement shall be binding upon and inure to the benefit of the parties, their heirs, legal representatives, successors and assigns.

18. Construction. This Agreement will be construed in accordance with the laws of the State of South Carolina without regard to principles of conflicts of laws.

19. Counterpart Signatures. This Agreement may be signed in one or more counterparts, each of which will be deemed a duplicate original.

20. Notice. All notices, demands, requests, or other communications which may be or are required to be given or made by any party to any party pursuant to this Agreement shall be in writing and shall be mailed by first-class registered or certified mail, return receipt requested, and shall be delivered by hand to the addressee if the addressee is located in the United States.

The parties agree that Licensee shall file a copy of this Agreement with the FCC. If any provision in this Agreement is held to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if it did not contain such invalid, illegal, or unenforceable provision.

25. Headings. The headings of the various provisions of this Agreement are included for convenience only, and no such heading shall in any way affect or alter the meaning of any provision.

26. Successors and Assigns. Subject to the provisions of Section 17 above, this Agreement shall be binding and inure to the benefit of Licensee's successors and assigns. This Agreement shall also be binding upon and inure to the benefit of Programmer and its successors and assigns.

27. Certifications.

(a) Licensee's Certification.
