

PURPOSE OF AMENDMENT

The primary purpose of this amendment is to demonstrate that this application for FCC consent to the assignment of license of WJZ(FM), Egg Harbor City, New Jersey from Nassau Broadcasting II, LLC to Millennium Egg Harbor License Holdco, LLC (“Millennium”) fully complies with the Commission’s new broadcast multiple ownership regulations.

The instant amendment is also being filed in order to:

(1) reflect the voluntary *pro forma* change of the proposed assignee from Millennium Atlantic City II License Holdco, LLC to Millennium Egg Harbor License Holdco, LLC, a commonly-owned and controlled entity¹; and

(2) update the assignee’s broadcast interests to reflect Millennium’s recent assignment of its rights to the Time Brokerage Agreement and Asset Purchase Agreement for WKOE(FM), Ocean City, New Jersey to Press Communications, LLC, and the fact that Millennium is no longer LMAing WKOE(FM).

The following portions of the application on FCC Form 314 have been updated to reflect these changes:

- Section III, Question 4, Exhibit 11, Parties to the Application
- Section III, Question 6, Exhibit 13, Other Authorizations
- Section III, Question 6, Exhibits 14 and 15, Multiple Ownership Compliance
- Section III, Question 8, Exhibit 18, Foreign Ownership Compliance

¹ Both Millennium Atlantic City II License Holdco, LLC and Millennium Egg Harbor License Holdco, LLC are owned and controlled by Millennium Radio Group, LLC.
