### **Agreements for Sale of the Stations**

As described in Exhibit 5, this application and a series of three other concurrently-filed applications seek the consent of the Commission to a transfer of control of licenses currently held by four wholly owned subsidiaries of Mapleton Radio, LLC (“MRL”) to a newly created limited liability company, Mapleton Radio Holdings, LLC (“MRHL”). Concurrently with the transfer of control of those licensees to MRHL, the license for KBLO(FM), Corcoran, California, which is currently held by Mapleton Communications, LLC, a wholly-owned subsidiary of MRL, would be assigned from Mapleton Communications, LLC to a newly created Delaware limited liability company, Mapleton License of Visalia, LLC, control of which would then immediately be transferred to MRHL.

The transactions contemplated by this application would be accomplished through consummation of the Purchase Agreement dated as of December 15, 2008 by and between Mapleton Communications, LLC and MRHL (the “Purchase Agreement”) and the execution, among other things, of a definitive LLC agreement for MRHL. Mapleton Communications, LLC and MRHL also contemplate entering into a Management Agreement pursuant to which Mapleton Communications, LLC would provide certain management services to MRHL and its subsidiaries related to the conduct of the business of the stations that are involved in this transaction.

This exhibit includes the Purchase Agreement, but omits the schedules to the Purchase Agreement (which are listed at the end of such document) and all other documents. The omitted materials contain proprietary and/or confidential information that is not germane to the Commission’s or the public’s review of the proposed transaction. The omitted materials will be provided to the Commission upon its request. *See LUJ, Inc.*, Memorandum Opinion and Order, 17 FCC Rcd 16980 (2002); *Public Notice*, DA 02-2049 (rel. Aug. 22, 2002).
