

EXHIBIT 13
DESCRIPTION OF TRANSACTION AND DOCUMENTS

The instant application seeks Commission consent to the assignment of the license of WPFO-TV (the “Station”), Portland, Maine, FAC ID 84088, from CMCG Portland Licensee LLC (“Assignor”) to Portland (WPFO-TV) Licensee, Inc. (“WPFO Assignee”).

Sinclair Television Group, Inc. (“Sinclair”) agreed to acquire (i) certain non-license assets of the Station from CMCG Portland LLC (“Seller”) pursuant to an Asset Purchase Agreement dated October 14, 2013 (“Non-License Assets Purchase Agreement”)(copy attached hereto), and (ii) the FCC licenses and certain other assets of the Station from Seller and Assignor pursuant to an Asset Purchase Agreement dated October 14, 2013 (“License Assets Purchase Agreement”)(copy attached hereto).

Sinclair and Seller consummated the Non-License Assets Purchase Agreement and entered into a joint sales agreement and a shared services agreement with respect to the Station (copies attached), which agreements shall terminate upon consummation of the Closing under the License Assets Purchase Agreement following Commission consent.

On November 7, 2013, Sinclair and WPFO Assignee and Portland (WPFO-TV), Inc. (collectively, “Assignee”) entered into an Assignment Agreement (copy attached hereto) pursuant to which Sinclair agreed to sell, assign and convey to Assignee all of its rights and obligations under the License Assets Purchase Agreement. Pursuant to the Assignment Agreement, Assignee and Sinclair have agreed, upon consummation of the transactions contemplated by the License Assets Purchase Agreement, following Commission consent, to enter into (i) an option agreement, (ii) a shared services agreement and (iii) a joint sales agreement (copies attached hereto) with respect to the Station.

The agreements in this transaction comply with the Commission's rules and policies. However, in response to Section III, Question 3, Assignee has certified "No" because certain schedules and exhibits to the agreements are not being submitted with this application but will be provided to the FCC on request. Additionally, certain information contained within the attachments to Exhibit 13, which is proprietary in nature and not germane to the Commission's consideration of the parties' qualifications, has been redacted.
