

Section II, Item 3, Exhibit 4  
Form 314  
Bustos Media of Colorado License Corp.

Omitted Items

The Applicant has responded “no” to Item 3 of Section II because certain schedules to the Asset Purchase Agreement governing the proposed assignment have been omitted from this filing.

All of the omitted schedules are described below. They are being omitted from this filing because they either contain proprietary information or are not material to the Commission’s consideration of this filing, or both. In compliance with the requirements set forth in the Commission’s Public Notice, *Media Bureau Announces Interim Filing and Certification Requirements Regarding the Submission of Contract with Assignment/Transfer of Control Applications*, 17 FCC Rcd 16166 (Med. Bur. 2002), and *LUJ, Inc.*, FCC No. 02-235 (August 22, 2002), the following is a description of the omitted schedules stating both the specific reason(s) for omitting them and the basis upon which the Applicant contends that the schedules are not material to the Commission’s consideration of this filing:

<u>Document</u>	<u>Description</u>	<u>Basis</u>
Schedule 1.1(b)	Tangible Personal Property	This list of equipment used in operation of the Station is not relevant to the Commission’s analysis of this filing.
Schedule 1.1(e)	Station Agreements	This list of contracts to be assigned by the seller and assumed by the buyer is proprietary and not relevant to the Commission’s analysis of this filing.
Schedule 1.1(f)	Real Property	This description of the real property interests to be sold and assigned by the seller is proprietary and not relevant to the Commission’s analysis of this filing.

Additionally, in the Time Brokerage Agreement between the proposed assignor and assignee that is submitted with this filing certain dollar figures included therein have been redacted as such information is proprietary and not material to the Commission’s analysis of this filing.
