

CHARLES W. LOUGHERY

DECLARATION

I Charles W. Loughery hereby declare under penalty of perjury that:

I supervised the installation of the WZXM antenna on April 24th 2007.

I am familiar with the terms and conditions of the WZXM Construction Permit and the installation instructions for the Shively 6513-2-H/V (Slant)-DA antenna system.

The antenna has been installed pursuant to the manufacturer's installation instructions.

The transmitter output power, taking into consideration both line loss and antenna gains, provides for the required effective radiated power of 7 kW vertical and 0.075 kW horizontal.

I have been involved in broadcast engineering for 33 years and have prepared engineering forms and exhibits for filing with the FCC and have been involved in the construction of broadcast stations including directional FM stations for 27 years.

Executed this 5th day of July 2007
