License and Deletion of Call  
Letters

Dear Licensee:

Our records indicate that radio station WHNY(AM), McCombs, Mississippi, has been off the air for over a year. As you are probably aware, Section 312(g) of the communications Act, 47 U.S.C. Section 312(g), provides that "if a broadcasting station fails to transmit broadcast signals for any consecutive 12-month period, then the station license granted for the operation of that broadcast station expires at the end of that period, notwithstanding any provision, term, or condition of the license to the contrary."<sup>1</sup> Therefore, we must conclude that WHNY(AM)'s license has expired as a matter of law.

Accordingly, the Commission's public and internal databases will be modified to indicate that renewal application (BR-20040130ADI) IS DISMISSED and the station license for the referenced station EXPIRED as a matter of law, and we HEREBY DELETE the station's call sign WHNY(AM).

Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower be maintained until the tower is dismantled. Accordingly, the owner of the tower where the referenced station's transmitting antenna is located is required, pursuant to 47 U.S.C. Section 303(q), to maintain the tower in the manner prescribed by our rules and the terms of the cancelled
