Re: Station WINK (AM) Facility ID No. 48329 Pine Island Center, FL  
BSTA - 20101124 AHM, as Extended by BESTA - 20120124AAE

Ladies and Gentlemen:

This is to request modification of the above-referenced Cuban interference STA. Station WINK recently filed a Method of Moments license application, BMML-20120410ACC, which included new operating parameters for the nighttime STA operation. Please modify the WINK STA to specify the nighttime STA operating parameters set out in BMML-20120410ACC.

I certify pursuant to Rule 1.2001 neither Fort Myers Broadcasting Company nor any party to this request for modification of STA is subject to a denial of Federal benefits that includes FCC benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 USC 862.

Respectfully submitted,

Joseph A. Belisle  
Counsel for Fort Myers Broadcasting Company
