

**Multiple Ownership Exhibit**  
**Form 301 Section II Question 4(b) Exhibit 5**

Victor Vickers holds attributable interests in the following broadcast facilities<sup>1</sup>:

Mr. Vickers holds an attributable 33.3% interest and is a director of Middle Georgia Community Radio, Inc., a Georgia not for profit corporation, which is the licensee of non commercial FM station - WKIH (FM) Vidalia, GA (Fac ID 172182) – Licensed

Mr. Vickers was the successful bidder in Auction 94 and by this application or one filed concurrently herewith is filing applications for:

NEW (FM) Americus, GA, (MM-FM892A) (FAC ID 191567)

NEW (FM) Homerville, GA, (MM-FM992A) (FAC ID 191568)

Because Victor Vickers, holds no cognizable interest or local marketing agreement in any existing FM or AM station or proposed station with any overlapping predicted principal community contours with the station proposed by this application, a grant of the instant application will result in Mr. Vickers having a cognizable interest in but a single FM station in the market. Accordingly following a grant of the instant application, Victor Vickers will remain in full compliance with the multiple ownership restrictions contained within Section 73.3555(a) of the Commission's Rules.

---

<sup>1</sup> Mr. Vickers is also the licensee of an FM Translator station (W291CI) at Jacksonville, Florida. Such translators are not deemed cognizable for multiple ownership or bidding credit determinations.
