

Channel 6 TV Protection Compliance

This minor change application proposes a change from channel 205 to channel 212.

The distance to a channel 6 TV broadcast station for an FM translator on channel 212 requiring demonstration of protection compliance is 135 km. There are no channel 6 TV broadcast stations within 135 km of the K205CA site, therefore, this minor change application is in compliance with all requirements of Section 74.1205 of the Commission's rules.
