8.3 **Conditions Precedent to Obligations of Seller.** The performance of the obligations of the Seller under this Agreement is subject to the satisfaction of each of the following express conditions precedent, provided that Seller may, at its election, waive any of such conditions at the Closing, notwithstanding that such condition is not fulfilled on the Closing Date:

8.3.1 Each of Buyer's representations and warranties contained in this Agreement or in any certificate or document delivered pursuant to the provisions hereof, or in connection with the transactions contemplated hereby, shall be true in all material respects at and as of the Closing Date, as though each such representation or warranty was made at and as of such time, except in respect of such changes as are contemplated or permitted by this Agreement.

In addition, if the failure of such condition precedent constitutes a material default by Seller, Buyer shall have the right, at its option, to exercise any or all of its rights or remedies for default provided in Section 13 hereof. Buyer shall not be deemed to have waived any failure by Seller to fulfill any of the conditions precedent described in Section 8.2 if Buyer does not have actual knowledge of such failure at the time of the Closing.

8.5 **Failure of Conditions Precedent to Obligations of Seller.** In case of the failure of any of the conditions precedent described in Section 8.3 hereof, and if Buyer, after application of the provisions of Section 13.3 hereof, has failed to cure the same, Seller shall have the right to terminate this Agreement without liability. In addition, if the failure of such condition precedent results from a material default by Buyer, Seller shall have the right, at its option, to exercise any or all of its rights or remedies for default provided in Section 13 hereof. Seller shall not be deemed to have waived any failure by Buyer to fulfill any of the conditions precedent described in Section 8.3 if Seller does not have actual knowledge of such failure at the time of the Closing.

SECTION 10

BROKERAGE

Seller and Buyer each represent and warrant to the other that it knows of no broker, finder, or intermediary who has been involved in the transactions provided for in this Agreement or who might be entitled to a fee or commission upon the consummation of such transactions. Buyer and Seller hereby agree to indemnify each other from and against any claim of any such obligation or liability by any person, and any expense incurred in defending against any such claim, including reasonable attorneys' fees, that shall have resulted from any conduct, activity, or action taken, or allegedly taken, by the indemnifying party.

SECTION 11

INDEMNIFICATIONS

11.1 **Breach of Seller's Agreements, Representations, and Warranties.** Seller shall reimburse Buyer for, and indemnify and hold harmless Buyer from and against, any loss, damage, liability, obligation, deficiency, claim, suit, cause of action, demand, judgment, or expense (including without limitation, payments, fines, penalties, interest, taxes, assessments, and reasonable attorneys' fees and accounting fees), contingent or otherwise, whether incurred or asserted prior to or after the Closing Date, arising out of Seller's agreements, representations, and warranties, or sustained by Buyer (except for a failure to discharge an Excluded Obligation, for which Buyer will be fully indemnified) by reason of:

(a) any breach of any warranty, representation, or agreement of Seller contained under this Agreement or in any certificate or other instrument furnished to Buyer pursuant to this Agreement or in connection with any of the transactions contemplated hereby;

(b) except for obligations or liabilities expressly assumed by Buyer herein, Seller's operation of the Stations prior to Closing (including, but not limited to, any and all claims, liabilities, and obligations arising or required to be performed by Seller under any lease, contract, or agreement (other than the Agreements on or after the Closing) or under the Agreements prior to the Closing);

(c) except for obligations or liabilities expressly assumed by Buyer herein, any transaction entered into by Seller or arising in connection with the Stations or the operation of the business thereof or any of the Assets prior to the Closing;

(d) except for obligations or liabilities expressly assumed by Buyer herein, any and all loss and expense, including, without limitation, any claims made by creditors, with respect to non-compliance with any bulk transfer law; and

(e) any and all actions, suits, proceedings, investigation(s) or forfeiture(s) incident to any of the foregoing.

11.2 **Breach of Buyer's Agreements, Representations and Warranties.** Buyer shall reimburse Seller for, and indemnify and hold harmless Seller from and against, any loss, damage, liability, obligation, deficiency, claim, suit, cause of action, demand, judgment, or expense (including without being limited to, payments, fines, penalties, interest, taxes, assessments, reasonable attorneys' fees and accounting fees of any kind or nature), contingent or otherwise, arising out of or sustained by reason of:

(a) any breach of any warranty, representation, or agreement of Buyer contained under this Agreement or in any certificate or other instrument furnished by Buyer pursuant to this Agreement or in connection with any of the transactions contemplated hereby;

(b) Buyer's operation of the Stations subsequent to Closing (including, but not limited to, any and all claims, liabilities and obligations arising or required to be performed on or after the Closing under the Agreements);

(c) any transaction entered into by Buyer or arising in connection with the Stations or the operation of the Stations subsequent to the Closing;

(d) any and all liabilities or obligations of Seller expressly assumed by Buyer pursuant to this Agreement; or

(e) any and all actions, suits, or proceedings incident to any of the foregoing.

11.3 **Notice of Claim.** All representations and warranties contained in this Agreement shall be deemed continuing representations and warranties and shall survive the Closing for a period of one (1) year. Any claim to indemnification in respect of a covenant or agreement shall be made within one year of the Closing Date. Buyer and Seller agree to give prompt written notice to each other of any claim for indemnification under Sections 11.1 or 11.2 hereof ("Notice of Claim"), which amount is believed to be required to discharge the obligations of the indemnifying party resulting therefrom. Within ten (10) business days after having been given the Notice of Claim, the indemnifying party may deliver to the other party (i) a written notice of objection to the payment of such claim ("Notice of Objection"), which Notice of Objection shall set forth the basis for such objection; or (ii) a written notice that the indemnifying party intends to defend against such claim in good faith ("Notice of Intention to Defend"). If such a Notice of Intention to Defend is delivered, the indemnifying party shall have the right to hold in abeyance the claim for indemnification if and so long as such defense is conducted by the indemnifying party at the latter's expense in a manner effective to protect the indemnified party against such claim. If no Notice of Objection or Notice of Intention to Defend is given within the prescribed ten (10) business day period, the indemnifying party shall promptly pay to the indemnified party the amount set forth in the Notice of Claim. If the parties are unable to resolve any Notice of Claim and corresponding Notice of Objection, either party may take whatever action it deems reasonable, including without limitation, the filing of a claim, petition, or other pleading in a court of competent jurisdiction.

11.4 **Sole Remedy.** Except as provided to the contrary in this Agreement, the right to indemnification pursuant to this Section shall be the sole and exclusive remedy of each party following each claim in connection with any breach or other violation by the other party of its representations, warranties, or covenants contained in this Agreement.

SECTION 12 **FEES AND EXPENSES**

Each party shall pay its own attorneys' fees and expenses which it initiates, creates, or incurs in connection with the negotiation, preparation and execution of this Agreement. Seller and Buyer shall pay equally all FCC filing fee associated with the Assignment Application. All other expenses incurred in connection with this transaction shall be borne by the party incurring same.

SECTION 13

DEFAULT AND TERMINATION

13.1 **Termination.** This Agreement may be terminated prior to the Closing by either Buyer or Seller as the case may be, if the party seeking to terminate is not in material default or breach of this Agreement, upon written notice to the other upon the occurrence of any of the following:

(a) if the other is in material breach or default of its respective covenants, agreements, or other obligations herein, or if any of its representations herein are not true and accurate in all material respects when made or when otherwise required by this Agreement to be true and accurate, and such breach is not timely cured as provided in Section 13.3, below;

(b) if the FCC denies the Assignment Application or any part thereof or designates any part thereof for a trial-type hearing;

(c) if by March 1, 2010 (i) the Assignment Application has not been granted by the FCC or (ii) a timely petition to deny is filed against the Assignment Application and the Order has not become a Final Order;

(d) on the Closing Date, Seller or Buyer, as the case may be, have failed to comply with its obligations under Section 8.2 or 8.3 of this Agreement, and does not cure such failure within the period provided in Section 13.3; or

(e) by mutual written consent of Buyer and Seller.

13.2 This Agreement may be terminated by Seller in the event payment is not made as required under Section 2.1 of this Agreement.

13.3 A party shall be in "default" under this Agreement if it makes any material misrepresentation to the other party in connection with this Agreement, or materially breaches or fails to perform any of its representations, warranties, or covenants contained in this Agreement. Non-material breaches or failures shall not be grounds for declaring a party to be in default, postponing the Closing, or terminating this Agreement. If either party believes the other to be in default hereunder, the former party shall provide the other with written notice specifying in reasonable detail the nature of such default. If the default is not curable or has not been cured within fifteen (15) calendar days after delivery of that notice (or such additional reasonable time as the circumstances may warrant provided the party in default undertakes diligent, good faith efforts to cure the default within such fifteen (15) calendar day period and continues such efforts thereafter), then the party giving such notice may terminate this Agreement and/or exercise the remedies available to such party pursuant to this Agreement, subject to the right of the other party to contest such action through appropriate proceedings. Notwithstanding the foregoing, in the event of monetary default, time shall be of the essence, no notice shall be required or cure period afforded, and this Agreement may be terminated immediately.

13.4 Seller agrees that the Assets include unique property that cannot be readily obtained on the open market and that Buyer will be irreparably injured if this Agreement is not specifically enforced. Therefore, Buyer shall have the right specifically to enforce Seller's performance under this Agreement, in addition to any other remedy to which he is entitled at law, and Seller agrees to waive the defense in any such suit that Buyer has an adequate remedy at law and to interpose no opposition, legal or otherwise, as to the propriety of specific performance as a remedy.

SECTION 14
