

AZIMUTH CERTIFICATION

I, Grant H. Gourley New Mexico Professional Surveyor #18373, do hereby certify that the directional antenna placed upon a tower located on the Southeast side of Ransdell Peak, near the City of Las Vegas, observed on June 14, 2016 has been oriented at the proper azimuth of 165 degrees, as determined by GPS observation/WGS 84 basis of bearings.

 June 14, 2016
