

Exhibit  
FCC 302  
KEZK-FM Fac ID 13507

CBS Radio Holdings, Inc., licensee of KEZK-FM is filing this application for a modified Auxiliary Antenna license pursuant to 73.1675(c). Applicant has changed the antenna to an equivalent omni-directional antenna and has increased the ERP to 40 KW.

The antenna center of radiation has decreased from 137 meters to 133 meters. This 4 meter reduction in height is a permissive change pursuant to 73.1690 (c)(1).

Since the ERP has increased, an RF Hazard exhibit is also attached.
