

MULTIPLE OWNERSHIP COMPLIANCE

The Alex Meruelo Living Trust is an attributable owner of Meruelo Media, LLC (“MM”), the sole owner of KLOS Radio Holdings, LLC (“KRH”), and files this application to seek consent to the assignment of radio station KLOS(FM), Los Angeles, California (FIN 35078) (the “Station”), which is located in the Los Angeles, CA Nielsen Audio market (the “LA Market”). KRH is a wholly owned subsidiary of Meruelo Media, LLC (“Meruelo Media”).

The Alex Meruelo Living Trust is also an attributable owner of Meruelo Television, LLC (“MTV”), the sole owner of KWHY-22 Broadcasting, LLC.

The Alex Meruelo Living Trust, through its attributable ownership in MM and MTV, has an attributable interest of the radio and television stations listed below:

Radio:

- (i) Meruelo Media, LLC - KDEY-FM, Ontario, California (FIN: 10099), which is located in the Riverside-San Bernardino, CA Nielsen Audio market;
- (ii) Meruelo Media, LLC - KDAY, Redondo Beach, California (FIN: 10100), which is located in the Los Angeles, CA Nielsen Audio Market; and
- (iii) Meruelo Television, LLC - KPWR, Los Angeles, California (FIN: 35498), which is located in the Los Angeles, CA Nielsen Audio Market.

Television: The Alex Meruelo Living Trust, through subsidiaries identified below, has an attributable interest in the licensee of two television stations:

- (i) Meruelo Television, LLC - KWHY-TV, Los Angeles, California (FIN: 26231) located in the Los Angeles, CA Nielsen Television Market; and
- (ii) Meruelo Television, LLC - KBEH, Oxnard, California (FIN: 56384) located in the Los Angeles, CA Nielsen Television Market.

Following consummation of the proposed transaction, the Alex Meruelo Living Trust will have an attributable interest in two commercial television stations, and four commercial radio stations in the Los Angeles market.

The acquisition of the Station implicates two of the Commission’s multiple ownership rules:

- (1) the local radio ownership rule; and
- (2) the radio-television cross-ownership rule.

As demonstrated below, the acquisition of the Station complies with both of these rules.

Local Radio Ownership Rule

Section 73.3555(a)(1)(i) of the Commission's rules provides that in a radio market with 45 or more full-power, commercial and noncommercial radio stations, a single entity may not have a cognizable interest in more than eight commercial radio stations in total and not more than five commercial stations in the same service (AM or FM).

Section 73.3555(a)(1)(ii) of the Commission's rules provides that in a radio market with between 30 and 44 (inclusive) full-power, commercial and noncommercial radio stations, a single entity may not have a cognizable interest in more than 7 commercial radio stations in total and not more than 4 commercial stations in the same service (AM or FM);

As shown on the BIA Kelsey Geographic Reports for Los Angeles and Riverside/San Bernardino attached hereto, there are more than 45 full-power commercial and noncommercial radio stations in the Los Angeles Market, and 39 stations in the Riverside/San Bernardino Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted in Los Angeles, and seven radio stations, no more than four in the same service, in Riverside/San Bernardino.

Following consummation of transaction proposed in this application, the Alex Meruelo Living Trust will hold an attributable interest in three FM radio stations in the Los Angeles Market and one FM station in the Riverside/San Bernardino market. This is permitted under the local radio ownership rules.

Radio-Television Cross-Ownership

The radio-television cross-ownership rule is triggered when:

- an FM station's 60 dB μ (1 mV/m) contour encompasses the entire community of license of a commonly owned TV broadcast station; or
- an AM station's 2 mV/m contour encompasses the entire community of license of a commonly owned TV broadcast station; or
- a TV broadcast station's principal community contour encompasses the entire community of a commonly owned radio station. 47 C.F.R. § 73.3555(c).

The KDAY and KDEY-FM stations 60 dB μ (1 mV/m) falls entirely within the contour of television stations KWHY-TV, and KBEH. Therefore, the radio-television cross ownership rule is triggered.

Once triggered, Section 73.3555(c) permits an entity to control (a) one television and seven radio stations (to the extent permitted by the local radio multiple ownership rule); or (b) two television stations and six radio stations (to the extent permitted by the local radio multiple ownership rule); provided, if (i) the common ownership of two commercial television stations by that entity is permitted under the local television ownership rule, and (ii) the market contains at least 20 independently owned and operated media "voices."

The instant application complies with the radio-television cross-ownership rules because: (i) the Alex Meruelo Living Trust already owns two commercial television stations as permitted under the local television ownership rule, and (ii) there are at least 20 independent media “voices” within the Los Angeles and Riverside/San Bernardino markets as demonstrated on the BIA Kelsey Geographic Reports for Los Angeles and Riverside/San Bernardino attached hereto.

Accordingly, the common ownership of two television stations and four radio stations in the Los Angeles Market complies with the Commission’s radio- television cross-ownership rule.
