**Maximum Power
Request for Continuation of Waiver of Section 74.1235**

K203AT
The Colorado College
Westcliffe/Gardner

Channel 203 – 0.25 kW ERP

January 2002

A waiver of 47 C.F.R. Section 74.1235 was previously granted under BLFT19981203TI to allow this translator to operate at a higher power for its height. The proposed translator station, operating at 250 watts ERP, will not overlap the 1 mV/m FM or 5 mV/m AM signal of any other licensed station operating as a non-commercial educational facility. Therefore, said translator proposal qualifies for consideration under the Commission's "white area" policy.

The applicant respectfully requests a continuation of this waiver.
