RE: WZKL Radio Antenna - Woodstock, Illinois

I, Wayne A. Schutz, an Illinois Registered Professional Land Surveyor, Illinois License No. 035-2834 do hereby certify that:

On May 19, 2010, I personally surveyed the installation location of the antenna for WZKL Radio, located in Woodstock, Illinois. The antenna center was located, and a compass azimuth of 245 degrees was measured based on magnetic north. The antenna has now been installed in accordance to a true azimuth of 245 degrees from true north.

Professionally,

Wayne A. Schutz PLS
