

RADIO MARKET ANALYSIS
KNBR/KFOG RADIO STATIONS
SAN FRANCISCO, CALIFORNIA
KTCT/KSAN RADIO STATIONS
SAN MATEO, CALIFORNIA
KFFG RADIO STATION
LOS ALTOS, CALIFORNIA
November 2005

TECHNICAL STATEMENT

1. This technical statement and attached exhibits were prepared in conjunction with a proposed transfer of control of stations KNBR, 680 kHz, and KFOG, Channel 283B, San Francisco, California; KTCT, 1050 kHz, and KSAN, Channel 299B, San Mateo, California and KFFG, Channel 249A, Los Altos, California. KNBR, KFOG, KTCT and KSAN are authorized in communities within metro counties in the San Francisco, California Arbitron Market (Market #4). KFFG is licensed to a community within a metro county in the San Jose, California Arbitron market (Market #33), but is considered "home" to the San Francisco, California market. As such, a review of each market will be conducted to show the ownership of KNBR, KFOG, KTCT, KSAN and KFFG is in compliance with the rules.

SAN FRANCISCO, CALIFORNIA MARKET

2. As shown on Exhibit #1, there are 105 AM and FM (commercial and non-commercial) stations listed in the San Francisco, California Arbitron Market. The transferee would be in control of three FM and two AM stations in the same market. The number of stations indicated falls in the forty-five or more stations tier of §73.3555(a)(1)(i) of the Commission's rules. At this

level, common ownership or control of up to eight stations, with no more than five in the same service, is permissible. Therefore, the acquisition of KNBR, KFOG, KTCT, KSAN and KFFG, in the San Francisco, California market is believed to be in compliance with the Commission's radio ownership rules.

SAN JOSE, CALIFORNIA MARKET

3. Only station KFFG is considered a metro station, based on its county of license, in the San Jose, California market. None of the remaining stations nor any other station in which the transferee has an interest is listed or located in the San Jose, California market. As shown on Exhibit #2, there are twenty-five AM and FM (commercial and non-commercial) stations listed in the San Jose, California Arbitron Market. The transferee would be in control of one FM station in the market. The number of stations indicated falls in the fifteen to twenty-nine stations tier of §73.3555(a)(1)(iii) of the Commission's rules. At this level, common ownership or control of up to six stations, with no more than four in the same service, is permissible. Therefore, the transfer of control of KFFG, in the San Jose, California market is believed to be in compliance with the Commission's radio ownership rules.

4. Based on the compliance with each combination of stations in the two separate markets, the transfer of control of stations KNBR, KFOG, KTCT, KSAN and KFFG is in compliance with the Commission's rules.

5. The foregoing technical statement was prepared by Graham Brock, Inc. All information contained herein is true and accurate to the best of our belief and knowledge. All data relating to AM and FM facilities in the relevant BIA/Arbitron market was determined using the BIA Financial Network, Inc. Media Access Pro, Version 4.0. BIA database. We assume no liability for errors or omissions in that database which may be adverse to the information contained herein.
