Re: WDVY(FM), Mount Kisco, NY (Facility ID 70274)  
Consent to File FCC Form 302-FM

Dear Ms. Dortch:

Pursuant to Section 73.3517(a) of the Commission's rules, Cumulus Licensing LLC ("Cumulus"), licensee of radio station WDVY(FM), Mount Kisco, New York, hereby grants permission to Family Stations, Inc. ("FSI"), the proposed assignee of the station (FCC File No. BALH-20121019ACV), to file an FCC Form 302-FM application to convert WDVY to noncommercial educational status and request a waiver of the Commission's main studio rule contingent upon the consummation of the assignment of the station's license from Cumulus to FSI. The license application and accompanying waiver request will be filed at FSI's expense prior to the closing. If the consummation of the assignment of the WDVY station license to FSI does not occur, FSI will request that the FCC dismiss the FCC Form 302-FM application as moot and return the station to its current specifications.

Sincerely,

Cumulus Licensing LLC
