

Educational Media Foundation**Exhibit 3**

5700 West Oaks Boulevard, Rocklin California, 95765

Compliance with Special Operating Conditions

This is to certify that I oversaw the installation of the Scala directional antenna system for KLTP, San Angelo, TX (FCC File Number BMPED-20080228ACH). I hereby certify that this antenna was installed in complete accordance with the manufacturer's detailed instructions, except that we ran into issues with the stacking harness. All work was performed by qualified personnel using good engineering practices and under my direct and complete supervision.
