

### Multiple Ownership Exhibit

The instant applications seeks FCC consent for the transfer of control of the licensee of stations KCUL(AM), Marshall, Texas (Facility ID No. 18262); KFRO(AM), Longview, Texas (Facility ID No. 70455); KKUS(FM), Tyler, Texas (Facility ID No. 68651); KOOI(FM), Jacksonville, Texas (Facility ID No. 70740); KOYE(FM), Frankston, Texas (Facility ID No. 70387); and KYKX(FM), Longview, Texas (Facility ID No. 54844) (collectively, the “Stations”).<sup>1</sup>

Each of the Stations is located in the Tyler-Longview, Texas Arbitron market. According to BIA, there are thirty-four (34) full-power commercial and noncommercial radio stations in the Tyler-Longview, Texas Arbitron market.<sup>2</sup> Pursuant to Section 73.3555(a)(1)(iii), in a market of this size, *i.e.*, a market with between thirty (30) and forty-four (44) (inclusive) stations, common ownership of up to seven commercial radio stations in total, not more than four of which are in the same service, is permissible. Thus, common ownership of these six radio stations, no more than four of which are in the same service, is permissible in the Tyler-Longview, Texas Arbitron market.<sup>3</sup>

The transferee does not hold an attributable interest in any daily, English-language newspaper that is published in the vicinity of the Tyler-Longview, Texas Arbitron market, nor does it hold an attributable interest in any full-power television station in the same market as the Stations or in the vicinity of the Tyler-Longview, Texas Arbitron market.

The transferee’s proposal to acquire six full-power radio stations, four of which are in the same service, therefore, is consistent with the FCC’s multiple ownership rules.

---

<sup>1</sup> As described elsewhere in this application, although the current licensee of the Stations also currently holds the license for station KCUL-FM, Marshall, Texas (Facility ID No. 18263), an application for consent to assign the license for this station to Cosecha Communications, LLC, as trustee, is being filed concurrently to ensure compliance with the FCC’s local radio ownership rule. *See* 47 C.F.R § 73.3555(a)(1)(ii).
