

W255DB at Bristol, Tennessee (Facility ID # 140578)

Licensee - Bristol Broadcasting Company, Inc.

Application to Modify :Licensed Facilities

Figure 1 - Rules Compliance Showing - Primary Station Data

W255DB will rebroadcast AM Station WWTB at Bristol, Virginia (Facility # 6872). The service contour of W255DB with the proposed facilities will not extend outside a circle with a 25-mile radius centered at the WWTB(AM) transmitter site.

The calculated 60 dBu contours of the licensed W255DB facilities and the proposed facilities are plotted on the chart above. As is shown, the 60 dBu contour of the proposed W255DB facilities will overlap with the licensed 60 dBu contour as is required for a "minor change" application.
