

Description of Educational Program

ZUMIX is a non-profit cultural organization dedicated to building community through music and the arts. Our mission is empowered youth who use music to make strong, positive change in their lives, their communities, and the world. As the only youth arts organization in East Boston, ZUMIX uses top-quality music and cultural programming as a tool for youth development and community transformation. ZUMIX was founded in 1991 in response to the worst year of youth violence in Boston's history. We currently serve over 1,000 youth through after-school programming and in-school partnerships. We use music and creative arts as tools to foster personal development, artistic growth, community engagement, and the 21st century skills needed to achieve success as an adult.

As a means to give voice to Boston's teenagers by sharing their positive messages (through music and dialogue) with a broader audience, ZUMIX launched a youth-run radio station from our East Boston headquarters in 2004. ZUMIX Radio enables our young participants to connect and share their music, ideas, and concerns with listeners while gaining invaluable feedback from local residents. Through paid radio journalism internships, the program addresses a significant dearth of jobs for youth and provides them with marketable technical, leadership, and communication skills in the context of civic engagement and community building. East Boston is an ethnically diverse neighborhood in which many residents are low-income and first generation immigrants. Community members are invited to host shows on ZUMIX Radio as a way of involving our neighbors in our work and giving them a space to voice issues that are of importance to them. We currently program a wide range of music and talk shows including local music, jazz, rock, Spanish language, social justice issues, and more.

Programming aired on the proposed low-power FM station will be designed to serve the same educational mission - to empower and give voice to our youth and community members. ZUMIX Radio will broadcast 24 hours a day. There will be live adult community-run shows from 10am – 2pm Monday through Friday, and live youth-run shows from 2pm - 8pm Monday through Friday. We also have the capacity to program live shows on Saturdays from 10am – 4pm. We play pre-recorded shows through our automation software when there are not live shows being broadcasted. Please see second page for a detailed programming schedule.

ZUMIX is incorporated under the laws of the state of Massachusetts as a non-profit organization. Date of incorporation: April 1, 1991.
