Re: KNID(FM), Alva, Oklahoma (Facility ID #37123)  
(File No. BPH-20040721AMU)

Dear Ms. Dortch:

Chisholm Trail Broadcasting Co. ("Chisholm Trail"), licensee of radio station KNID(FM), Alva, Oklahoma, hereby withdraws and requests the dismissal without prejudice of the above-referenced application seeking to make minor changes in the licensed facilities of KNID ("Application").

Chisholm Trail is withdrawing the Application pursuant to the Commission's *Memorandum Opinion and Order*, FCC 05-64 ¶6 (released March 14, 2005) ("MO&O"), which indicates that, due to the Application's pendency upon a certain FM allotment rulemaking proceeding, it was to have been dismissed because it was filed prior to May 9, 2005. Consistent the same language in the MO&O, Chisholm Trail will be re-filing a new FCC Form 301 application on Monday, May 9, 2005.

Should any questions arise concerning this matter, please communicate directly with the undersigned.

Very truly yours,
