

## DECLARATION OF DANIEL (BENDAMEEAN) STEINHARDT

I, Daniel (BenDameean) Steinhardt, am the Executive Director of Global Change Multi-Media ("GCMM"). I make the following declaration under oath, in support of our application for a new Low Power FM application to serve Tucson, Arizona.

In 1977, Gabriel Records got its start at 630 N. 4th Avenue, Tucson, Arizona when Rev. Tony Delevin gave concerts in the 4th Avenue Park to street people and the homeless and on stage concerts in University facilities to University of Arizona students. I attached the *Arizona Daily Star* article dated November 17, 1979.

On February 11, 1997 Gabriel Records came into existence as a nonprofit corporation when the articles of incorporation were filed with the Arizona Corporations Commission. The Board of Directors changed the corporate name on December 16, 2006 to Global Change Multi-Media. Our nonprofit corporation has remained in continuous existence since it was first organized in 1997.

The corporate headquarters and satellite campus location addresses since December 16, 2006 are as follows:

On December 16, 2006 GCMM was located at 2940 Southwest Drive, Sedona, AZ 85640.

We moved the office to 2120 W Hwy 89A, Sedona, AZ 85640 on August 31, 2008.

We moved the office temporarily to 38 Santa Gertrudis Lane, Tumacacori, AZ 85640 with the address of PO Box 1613, Tubac, AZ 85646 on November 24, 2008.

Later we moved the office to 29 Tubac Plaza, Suite 2, Tubac, AZ 85646 on February 2, 2009.

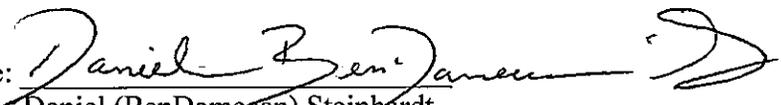

Between August 9, 2011 and December 28, 2012, GCMM was looking for a leasehold facility in Tucson. During this time the multi-media team and I worked and held meetings at 900 N. 4th Avenue, Tucson, AZ 85705 and the Board of Directors also held their bi-weekly Board Meetings there.

GCMM relocated to our current headquarters at 330 E. 7th Avenue, Tucson, AZ 85705 on December 28, 2012.

I certify the locations listed above in the city of Tucson are within ten miles of our proposed transmitter location.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 13, 2013.
