**RE: Request STA for Silent Station**

K259AS Globe, AZ

FACID: 144058

FRN: 0001595149

Silent Date: December 13, 2016

Dear Madam Secretary:

On behalf of Rocket Radio Corporation, licensee of the above-referenced FM translator station, you are respectfully requested to grant special temporary authority for the station to remain silent. In support thereof the following is shown:

K259AS was conducting program test operations on Channel 230 as authorized by File No. BPFT-20160129AWZ. The station went silent on December 13, 2016, in reaction to complaints of actual signal interference raised by station KRDE(FM) San Carlos, Arizona. These complaints are a matter of record in the Commission's files.

K259AS is preparing to file a construction permit application for modification of station facilities which, when granted and implemented, is anticipated to eliminate all concerns of actual signal interference to KRDE.

An STA is in the public interest as it permits station K259AS to remain silent as an aid to resolving signal interference claims from full-power station KRDE.

Please address any questions concerning this matter to the undersigned.

Sincerely,

John S. Neely

ENC.
