

COMMUNITY OF LICENSE CHANGE – SECTION 307(b) SHOWING

By this Application, Noalmark Broadcasting Corporation (“Noalmark”) seeks to make a minor change to the licensed facilities of Station KMLK(FM), El Dorado, Arkansas (Facility ID No. 85169) (“KMLK” or the “Station”) to, among other things, change the Station’s community of license from El Dorado to Junction City, Arkansas.

Noalmark hereby submits this showing regarding the merits under 47 U.S.C. §307(b) of licensing the Station to Junction City, a community to which no radio stations are currently licensed. Pursuant to 47 U.S.C. §307(b), the Commission will authorize the relocation of a facility to another community when doing so will “provide a fair, efficient and equitable distribution of radio service.” Grant of this application will achieve this goal by, among other things, providing a first local transmission service to the community of Junction City. The relocation of KMLK from El Dorado will not deprive El Dorado of local transmission service. In fact, not including KMLK, there are six FM and two AM broadcast stations licensed to El Dorado.<sup>1</sup>

Junction City qualifies as a community under Section 307(b). The Commission has defined a “community” as a geographically identifiable population grouping.<sup>2</sup> It is sufficient that a proposed community of license be incorporated or listed in the U.S. Census to confer community status.<sup>3</sup> Junction City was incorporated in 1895.<sup>4</sup> Its 2010

---

<sup>1</sup> The AM and FM stations licensed to El Dorado include the following:

<u>Call Letters</u>	<u>Frequency</u>	<u>Facility ID</u> <u>No.</u>
KAGL(FM)	93.3	48949
KAKV(FM)	88.9	91423
KBSA(FM)	90.9	4217
KIXB(FM)	103.3	48946
KLBQ(FM)	98.7	19090
KMRX(FM)	96.1	35010
KDMS(AM)	1290	19089
KELD(AM)	1400	48945

There are also three FM translator stations licensed to El Dorado.

<sup>2</sup> *Oak Grove, Florida*, 5 FCC Rd 3774 (1990).

<sup>3</sup> *Id.*

<sup>4</sup> The Encyclopedia of Arkansas History & Culture, <http://www.encyclopediaofarkansas.net/encyclopedia/entry-detail.aspx?entryID=6139>.

U.S. Census population was 581 persons.<sup>5</sup> Junction City also has its own residential, social and business characteristics.

Junction City has its own elected government, which consists of a Mayor, Recorder/Treasurer, and City Attorney. Junction City also has its own Police Chief and Fire Chief. *See Attachment A* hereto. In addition, Junction City has its own Post Office and U.S. Postal Service Zip Code (71749). *See Attachment B* hereto.

Junction City has numerous businesses and commercial establishments within its borders, including Junction Produce, ET Used Car & Tire, Harde Mart Jackpot Casino, McDonald Grocery, McDonald's Deli, Dollar General, B B Tie Saw Mill, NAPA Auto Parts, First Bank, Dual State Grill, Kim's Hair Salon.

Junction City has its own public library (the Junction City Public Library). *See Attachment C* hereto. Junction City is home to the Junction City Volunteer Fire Department and the Junction City Police Department, as well as the Junction City Medical Clinic. *See Attachment D* hereto. Junction City is also home to several churches. *See Attachment E* hereto.

There are no radio stations currently licensed to Junction City. As stated above, El Dorado will continue to be served by eight full-service stations. Relocating the Station to Junction City therefore will not deprive El Dorado of full service local transmission service. Furthermore, as indicated in the KMLK Remaining Services Study included at Attachment 27 to this application, El Dorado will continue to be well served by more than five aural reception services.<sup>6</sup>

Given the attributes of Junction City as described herein, Section 307(b) plainly warrants granting that community its first transmission service under priority (3) of the FM allotment priorities applied by the Commission.<sup>7</sup>

---

<sup>5</sup> U.S. Census Bureau, 2010 Census Interactive Population Search, Arkansas – Junction City city.

<sup>6</sup> *See e.g., Palmetto Communications Company*, 6 FCC Rcd 1527, 1529 (1991) (explaining that well-served reception areas are areas presently receiving at least five fulltime radio services).

<sup>7</sup> The FM Allotment Priorities are (1) first full-time aural service; (2) second full-time aural service; (3) first local service; and (4) other public interest matters. Co-equal weight is given to priorities (2) and (3). *See Revision of FM Assignment Policies and Procedures, Second Report and Order*, 90 FCC 2d 88 (1982).

Junction City is not located within an Urbanized Area, and the Station's proposed 70 dBu contour will not, and could not, provide service to any urbanized area. *Id.* Accordingly, an analysis of Junction using the *Tuck* criteria is not required.<sup>8</sup>

#### Conclusion

It is respectfully submitted that the provision of first local transmission service to Junction City, Arkansas in light of the continuation of multiple licensed transmission and reception services at El Dorado, Arkansas, represents a preferential arrangement of allotments and fully satisfies the FCC's mandate under Section 307(b).

---

<sup>8</sup> *Headland, Alabama and Chattahoochee, Florida*, 10 FCC Rcd 10352 (Mass Media Bureau 1995); *Morrow Bay and Oceano, California*, 21 FCC Rcd 5280 (Media Bureau 2006); *Allegan, Otsego and Mattawan, Michigan*, 21 FCC Rcd 5087 (Media Bureau 2006).

## Our Mission

The Arkansas Municipal League was founded in 1934 and exists for a threefold purpose:

- to act as the official representative of Arkansas cities and towns before the state and federal governments;
- to provide a clearinghouse for information and answers; and,
- to offer a forum for discussion and sharing of mutual concerns.
