**Freedom Communications Holdings, Inc.**, a Delaware corporation, will be the ultimate parent of the proposed assignee. Below is a chart which outlines the anticipated officers, directors and 5% or more stockholders of Freedom Communications Holdings, Inc. As explained in the description of the proposed transaction attached as Exhibit 4, depending on the effect of

certain cash elections to be made by the current shareholders of Freedom Communications, Inc. However, Freedom Communications Holdings, Inc. is able to identify every potential holder of 5% or more of its voting shares. Therefore, the chart below includes all potential holders of Freedom Communications Holdings, Inc. voting stock whose interest could equal or exceed 5% upon closing. The percentage of votes listed for these potential shareholders reflects the maximum percentage that could be expected to occur under the cash election mechanics. After the closing of the proposed transaction, Freedom Communications Holdings, Inc. will file an ownership report that reflects which of these persons and entities actually holds a 5% or greater voting stock interest in Freedom Communications Holdings, Inc.

Below is a chart which outlines the anticipated officers, directors and 5% or more stockholders of Freedom Communications Holdings, Inc.<sup>1</sup>:

\*\*Mr. Ostmeier, a non-insulated member of Blackstone Management Associates IV L.L.C. and Blackstone Communications Management Associates I L.L.C., is a German citizen. Given that Mr. Ostmeier does not have a controlling interest in either entity, and that each entity will have only a small percentage of the interest held by the underlying investment funds (which themselves will hold a non-controlling interest in Freedom), the applicant submits that the interest to be held by Mr. Ostmeier is consistent with the restrictions on alien ownership set forth in Section 310(b) of the Communications Act. See, e.g., Alergan Cellular Engineering, 12 FCC Rcd 8148(1997) at para. 55. Specifically, Mr. Ostmeier holds less than a five percent interest in the general partner, which holds a one percent interest in the Blackstone funds, which, in turn, will hold, in the aggregate at closing, no more than 32.5% of the capital stock of Freedom. \*The indirect interest in the assignee held by these individuals or entities through their respective interests in this limited liability company will represent less than one percent of the total assets (debt plus equity) of the assignee.

\*\*Mr. Simpkins, a non-insulated member of Blackstone Management Associates IV L.L.C. and Blackstone Communications Management Associates I L.L.C., is a British citizen. Given that Mr. Simpkins does not have a controlling interest in either entity, and that each entity will have only a small percentage of the interest held by the underlying investment funds (which themselves will hold a non-controlling interest in Freedom), the applicant submits that the interest to be held by Mr. Simpkins is consistent with the restrictions on alien ownership set forth in Section 310(b) of the Communications Act. See, e.g., Alergan Cellular Engineering, 12 FCC Rcd 8148(1997) at para. 55. Specifically, Mr. Simpkins holds less than a five percent interest in the general partner, which holds a one percent interest in the Blackstone funds, which, in turn, will hold, in the aggregate at closing, no more than 32.5% of the capital stock of Freedom. Thus, the foreign ownership in Freedom resulting from Mr. Simpkins' interest will be less than 0.02% (5% x 1% x 32.5%).
