

**TECHNICAL STATEMENT**  
**RADIO MULTIPLE OWNERSHIP ANALYSIS**  
**CC LICENSES, LLC**

This statement was prepared as we propose to change the antenna location of WNUS(FM) Belpre, Ohio. A multiple ownership analysis was prepared considering radio stations under present or proposed common ownership, time brokerage or joint sales.

**Arbitron Market Study**

In this application, we are proposing to change the antenna location of Station WNUS(FM) Belpre, Ohio. The community of license, Belpre, Ohio, is in Washington County, which is part of the Parkersburg-Marietta, WV-OH Arbitron Metro and thus WNUS(FM) is geographically located in this Arbitron Metro. WNUS(FM) is designated “home” to the Parkersburg-Marietta, WV-OH Arbitron Metro; the number of stations owned by us in the Parkersburg-Marietta, WV-OH Arbitron Metro is not changing by this application.

According to the FCC’s local ownership “tiers,” in a Metro reported by BIA as having 15 to 29 commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 6 commercial full-power radio stations, not more than 4 of which are in the same service(AM or FM). This application complies with the multiple ownership rules because only 5 of 24 full-power radio stations (3 FM and 2 AM) will be attributable to CCC.

**Table of stations considered being in the Parkersburg-Marietta, WV-OH Arbitron Metro<sup>i</sup>**

**Interim Contour-Overlap Analysis**

Because the principal community of WNUS(FM) and the communities of all commonly-owned or attributable stations with overlapping principal contours with WNUS(FM) are located inside an Arbitron Metro, an interim contour-overlap analysis is not required.

Respectfully Submitted,

Troy G. Langham

FCC Engineering Supervisor
