Dear Mr. Doak:

Enclosed find the consent letter from Arecibo Radio Observatory to our minor change application. I will file it also electronically like an amendment. The environmental study is under way. Thank you.

Sincerely Yours,

Re: WQML-FM

Dear Juan Carlos Matos:

Thank you very much for the copy of your FCC application sent to us in accordance with the Puerto Rico Coordination zone agreements. We have considered the technical aspects of your application and find that your installation is unlikely to cause harmful interference to the passive use of the Radio Astronomy bands at the Observatory. We therefore have no objection to your proposed installation.

Sincerely yours,

Angel M. Vázquez
Spectrum Manager
