To Whom It May Concern:

I, Richard C. Jones, am licensed with the State of Oregon, as a Registered Professional Land Surveyor, license No. 56399.

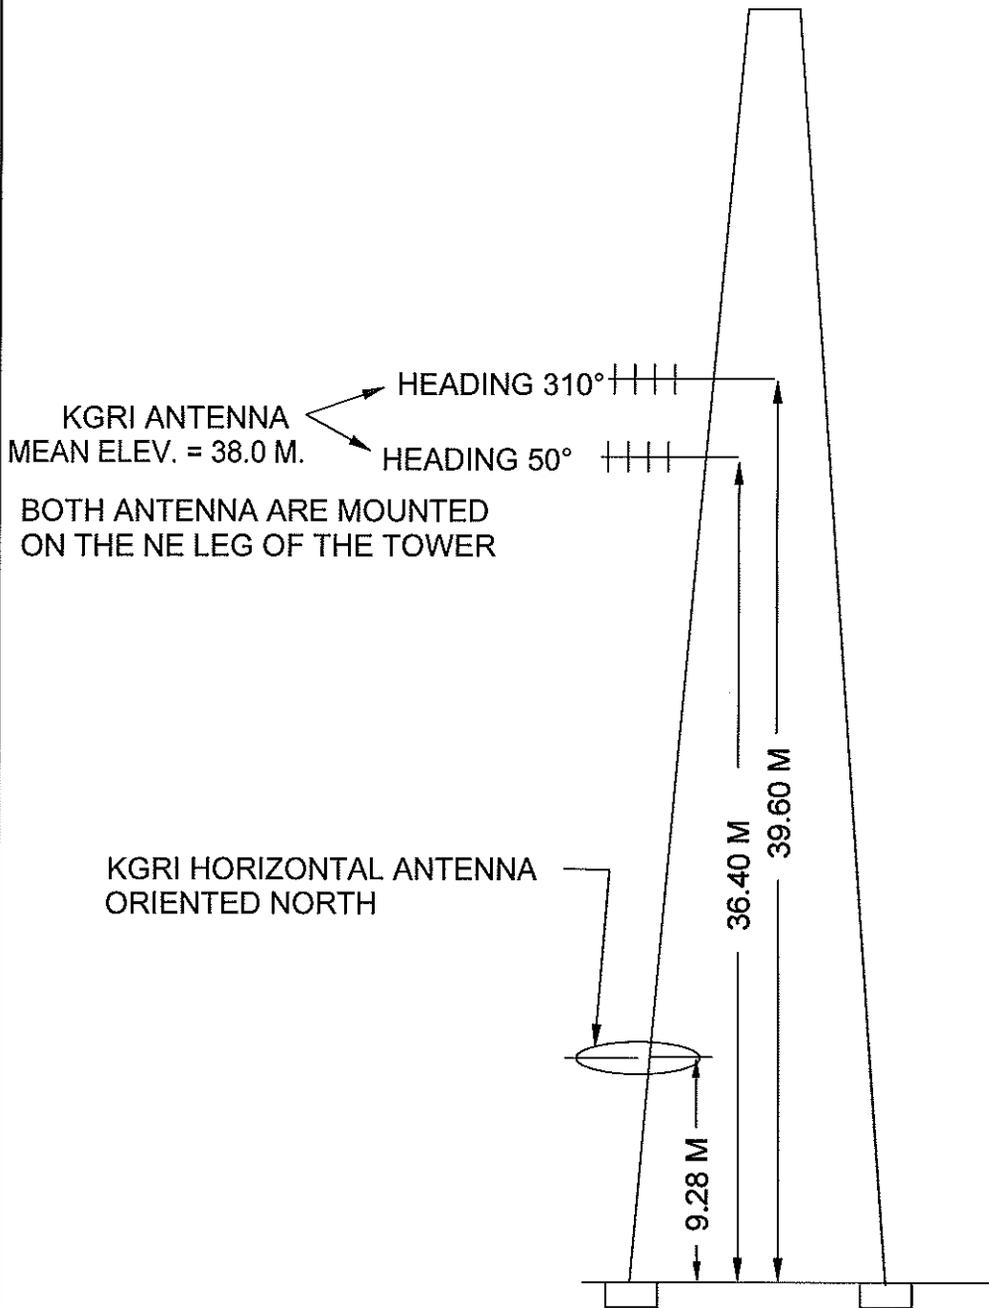

I have verified the installation of the antenna for station KGRI on May 11, 2012, and certify that the antenna orientated 310° azimuth (Northwest) is at 39.60 meters and the antenna orientated 50° azimuth (Northeast) is at 36.40 meters. The antenna orientated North is located approximately midway between the Northwest and the Northeast legs of the main tower. The antennas located at 39.60 and 36.40 meters are mounted on the Northeast leg of the main tower.
