**Re: Notification of Reduced Power
KOLM (AM), Rochester, MN (FIN: 50288)**

Dear Ms. Dortch:

On behalf of Townsquare Media Rochester License, LLC (“Townsquare”), the licensee of KOLM(AM), Rochester, Minnesota and pursuant to Section 73.1560(d) of the Commission’s rules, this letter is to notify the Commission that KOLM(AM) has been operating at reduced power since January 30, 2020. Specifically, the station is operating on the night pattern at the authorized 800 watts, both day and night (day is normally non-directional at 10,000 watts).

KOLM(AM) has been at variance to its license due to a control cable issue. If Townsquare is unable to return KOLM(AM) to full power within 30 days, Townsquare will request special temporary authority to allow KOLM(AM) to continue operating, as required by the Commission’s rules.

Should there be any questions regarding this matter, please contact undersigned counsel.

Respectfully submitted,

Howard M. Liberman
