Barry Township, Barry County, Michigan**

I, Matthew T. Mokanyk, a Michigan registered professional land surveyor, license No. 42063, hereby certify that on August 14, 2008, Michael Arnold of Landtech observed the positioning of the WTNP, Richland, MI – Aldena Model ALP.08.02.710 antenna installation. As prescribed in the installation directions of the antenna manufacturer and the Shively Labs, Inc., the heading of the main booms of the antennas were calculated and verified. As of the date of the fieldwork, the azimuth-orientation of the direction of the antenna boom was **75 degrees and 280 degrees** with respect to True North as prescribed in the antenna drawing shown in the antenna proof of performance document. The accuracy of this study is better than +/- 0.49 degrees.
