

October 11 2013

Iglesia de Cristo Ministerios Llamada Final was established in the city of Downey CA on June of 1989, We then established several other churches throughout the Central Valley and northern California, the branch in Atwater CA was established on September of 2006, we started as a single family small church and grew in number of members by the year 2012 when we were then required to be recognized as a nonprofit organization by the California Internal Revenue Service. Tax ID # Corp3519197

As a Hispanic nonprofit organization, we have been working with the community of Atwater bringing different services to families like food, clothing, and at times shelter!

Most of all and most important, we have been working with families in need of counseling, marriages, and youth, preaching the Gospel and reaching out to the community.

My goal as a member and pastor of this church is to be able to reach out to families in need throughout the radio broadcast, this will give us an opportunity to preach the Gospel, announce the different services we offer, teach to the youth and children, announce the different events in our community, and be a blessing to the different ministries around the area!

My wife and I are very involved in the community of Atwater and we look forward to continue to serve the families in need.

The members of the board are as follows:

Isidro Delgado- President

Bety Delgado- Assistant president

Clarita Reynoso- Secretary, Event coordinator, woman ministry

Michell Rodriguez- woman ministry

Jose Luis Rodriguez- Assistant president

We have several other members of our church who will be trained in the running of the LPFM broadcast, we are planning to be on the air 8 to 12 hours live a day and we will be broadcasting live from our church service on Sunday.

We believe this is a great blessing and we are preparing to work hard in the radio ministry!

Any questions please contact Clarita Reynoso at (209) 818-5910 or [claresaicedo@yahoo.com](mailto:claresaicedo@yahoo.com)

We thank you in advance for all your help!

Isidro Delgado Senior Pastor

Clarita Reynoso Secretary.
